Terra Lindans Pledge Fight On Quail Hill

Draper Apartment Hearing Attracts Full House Crowd

By ALAN CUNNINGHAM

The city council chambers at San Rafael City Hall were packed for the second time in two nights last night as the San Rafael Planning Commission held its first hearing on a new plan by the Draper Companies for apartments on Quail Hill, some of which would be reached by funicular cars.

Next hearing will be at 7:30 p.m. May 18.

Most of the hour and one-half hearing was devoted to a detailed, illustrated explanation of the plan by Donald C. Marek of Draper Companies and architect Gilbert Murphy, followed by numerous questions from the large audience, many of whom were members of the Terra Linda Valley Property Owners Assn.

OPPOSITION

President Robert F. Loberg of the association said he would make a statement in opposition to the plan at the next hearing.

Planned, said Marek, are 34 single family homes and 917 apartment units, including five nine-story concrete towers.

The single homes would be part of a "buffer zone" with portions of Terra Linda which face Nova Albion Way. This buffer would also include a "wall" of trees and landscaping along the back fences of existing homes, Marek said.

HILLSIDE CARS

Residents of town house units on the steep west side of the hill would reach their homes by small funicular cars. Scattered through the area would be four "tot-lots," a two acre park and another landscaped "buffer zone" on the west.

Murphy said there would be "no studio uits."

Under consideration are zoning of the 82-acre site as a planned community district, plus a use permit for Draper Companies to develop 951 units. Administrative and professional use is planned for one acre.

Marek said his company planned to use deed restrictions as a means of assuring that the plan would be followed.

In answers to questions from the audience, Marek said the development would bring from 180 to 209 children into the area.

He said the contractors had not yet been selected to build the apartments, but predicted the selling price would start at $34,000 per dwelling unit, with rental of $150 or upwards.

Completion would probably take four or five years, he said, with the towers going up last.

Marek was asked by one man

Youth Suspected Of Auto Theft Shot By Officer

By DAVID HASSETT

A 19-year-old youth was shot and wounded by a San Rafael police sergeant last night as he ran from a wrecked car which he allegedly stole for "a ride home" to Redwood City.

It was the climax to a high-speed five-mile chase along Highway 101 from San Rafael to the Corte Madera Shopping Center.

Sgt. James W. Carlton said he warned Timothy Vincent Ferranti of Redwood City to stop three times before he felled him with a single shot in the lower left chest. Though wounded, the youth stumbled on for 200 yards and then collapsed.

Today Ferranti was in fair condition at Marin General Hospital. The bullet pierced his body and left arm.

JAMES W. CARLTON
Shouts, fires

Carlton had been following the car, a 1963 Corvette, along Highway 101 when the youth suddenly accelerated and swerved into the fast southbound lane. But as a truck switched lanes ahead of him, the car skidded across all three lanes and landed in a drainage ditch.

OVER FENCE

The officer yelled at the runaway youth, "Stop, or I'll shoot." But Ferranti climbed over a fence into the Corte Madera Shopping Center parking lot.

Twice more, Carlton said, he shouted as he raised his revolver. But Ferranti took no heed. He was shot from about 45 yards.

"The officer's intention," said Police Chief Charles J. Chiesa today, "was only to wing the youth—and that's what he did."

The alert came at 7:40 p.m. when Gene D. Blunder of 275 Canal Street, Apt. 2, San Rafael, reported his car missing from his car port.

RAN TO SEE

He told police he heard an engine start outside and ran out to see his car, which had been unlocked, racing off toward Francisco Boulevard.

Carlton spotted the stolen vehicle as he was patrolling along the Highway 101 on-ramp. He gave chase. In the pursuit, the sergeant radioed ahead and told

U.S. Sends 1,200 Soldiers To Viet Nam Combat Zone

SAIGON, South Viet Nam, (AP) — An armada of transport planes landed 1,200 U.S. paratroopers in South Viet Nam today. They are the first American Army ground combat units sent to fight the Communist Viet Cong.

Another 2,300 men of the 17rd Airborne Brigade were expected from Okinawa soon, probably this week.

Half of the 1,200 paratroopers were landed at the Bien Hoa air base 15 miles northeast of Saigon. The rest came in at the Vung Tau airstrip on the South China sea 40 miles southeast of Saigon.

U.S. Army forces already in Viet Nam are here as advisers to the South Vietnamese forces and as training personnel. The paratroopers are expected to have the same assignment that the U.S. Marines now have at the Da Nang air base and Phu Bai, 350 miles north of Saigon — defense in depth of the key installations with a liberal sprinkling of offensive operations against the Viet Cong thrown in.

Vung Tau may be destined to become a major buildup area for U.S. troops, similar to Da Nang. As the new arrivals took up position there, Vietnamese air force fighter-bombers were streaking down on suspected Viet Cong positions about five miles away, pouring cannon and rocket fire into the ground. Most of the troopers were too busy to notice, although the cannon shots were clearly audible.

The brigade's commander, Brig. Gen. Ellis Williamson, 47, of Raleigh, N.C., was among the first men off the planes at Bien Hoa.

"Our morale is sky high," he said. "We have been prepared for this for some time."

Patrolling from Da Nang, U.S. Marines killed eight Viet Cong, their largest toll so far. One Marine was wounded when he stepped on a booby trap or a mine.

In the air war, four U.S. Navy Skyhawks from the carrier Midway destroyed five railroad cars and damaged six more on a siding near Vinh, 160 miles south of Hanoi, a 7th Fleet spokesman said.

Eight Vietnamese Skyraiders attacked three small bridges in the Phuong Vong and Luong Trinh areas and two suspected radar sites at Mui Von and Vung Chua.

U.S. Air Force B57 jet bombers struck military convoys and an important military base in North Viet Nam last night.

They then hit army barracks at Bai Duc Thon, 200 miles south of Hanoi. The pilots reported they left the area covered with large fires.

Teacher Finds Self Back In A.F. Uniform

Monday, Frank B. Wells was teaching history at Terra Linda High School. Yesterday, he was on active duty in the Air Force.

Wells, A captain in the Air Force Reserve, was notified at 5 p.m. Monday that he must report for 15 days of active duty at 5 a.m. the following day, Terra Linda Principal George A. Yerton said yesterday.

Wells, who lives in El Cerrito, is a member of the 349th Troop Carrier Wing, with headquarters at Hamilton. His duty is part of a "slight increase" in wing activity brought on by the Dominican crisis, according to wing information officer Lawrence Hannon.

Hannon said that all serving are volunteers. He also said there are about 10 serving for short terms for the Hamilton group.

Maj. Robert Dinger, information officer for the 6th Air Force Region, supervising reserve activities in the eight western states, confirmed that all have volunteered for the duty.

PUERTO SUELLO START AWAITED

Attorney Says Railroad Still May Try Delays Through Federal Court Appeals

There was no word today on whether Northwestern Pacific Railroad plans to start re-building the Puerto Suello Tunnel to comply with yesterday's order by the state Public Utilities Commission, or will seek a new legal delay.

Only comment came from attorney E. Myron Bold, who with Boris H. Lakusta has represented the City of San Rafael in its long battle to get the tunnel opened.

The PUC ordered the railroad to start rolling trains through San Rafael again with 185 days.

Bold said the NWP "will have to obey," unless it can obtain a court stay of the UPC order by filing a new appeal.

"There still are ways in which they can hold this thing up," he said.

"I think they have exhausted all remedies in California. Any stay now would have to come from a federal court. And to get it, they would have to show some deprivation or denial of their rights by the order."

The state supreme court has refused to review a PUC ruling made last fall. That order was stayed pending the appeal, but was reinstated yesterday. The tunnel has been closed since it collapsed in a July 22, 1961 fire.

The railroad has had no success in appealing to federal courts against Interstate Commerce Commission refusal to allow it to abandon the line.

Truce In Dominican; U.S. Blasts Rebel Boat

SANTO DOMINGO (UPI) — The Organization of American States announced today that both sides had signed a "firm truce" in the civil war that cost more than 1,000 dead and brought U.S. armed intervention.

Before the announcement, troops of the U. S. 82nd Airborne Division opened fire on a 350-foot rebel trawler in the Ozama River touching off a tremendous ammunition explosion that cast a black pall over the city. The trawler apparently brought in rebel arms from abroad.

Several hundred more American troops landed today as the OAS officials met at the loyalist stronghold of San Isidro airbase. Junta leaders and rebel provisional "president" Francisco Caamano Deno signed the truce.

The agreement called the "Act of Santo Domingo" had four provisions:

1. It formalized the cease-fire already shakily in effect.
2. It demarcates an enlargement of the security zone carved out by U.S. Marines and paratroopers to include all foreign embassies.
3. It provides for evacuation of persons who have taken asylum in various embassies and of refugees caught up in the fighting.
4. It provides for distribution of food, medicine and medical equipment to both sides regardless of political beliefs.

Te trawler of unknown nationality first opened fire on the paratroopers of the 82nd Airborne Division who have carved out an international refuge zone and a supply line through rebel-held territory. The paratroopers returned the fire and the explosion followed.

The ship did not sink but was

Demo Spokesmen Predict Extra Legislature Session

SACRAMENTO (AP) — The legislature's two Democratic leaders today strongly indicated lawmakers will be forced into a special session this year.

Senate President Pro Tem Hugh M. Burns, D-Fresno, sand Assembly Speaker Jesse M. Unruh, D-Los Angeles, told newsmen they doubted the legislature will finish its work by the mandatory June 18 closing date.

And Unruh opened the door for more controversy in the strife torn session when he expressed doubt the Assembly would accept a Senate reapportionment bill if it has Los Angeles County senatorial districts in he form presently suggested by Sen. Thomas Rees, D-Los Angeles.

"I haven't found one Los Angeles assemblyman who is happy with them," said Unruh.

Burns predicted the Senate would incorporate the Rees suggestions in its reapportionment measure.

Burns said "I think there is some chance of us failing to get a budget out by June 18 and a tax program to go along with it."

Unruh agreed, saying he thought Assembly Republicans will withhold the votes they must give for the required two-thirds passage of the spending bill until substantial cuts are made. In the confusion, he said, the governor would be left with a budget lower than the $4.03 billion "bare bones" proposal he originally submitted — and no tax program.

"The governor would have to take that and call a special ses-

U.S. Jet's Crash Kills 2, Hurts 8

TOKYO (AP)—A U.S. F105F jet fighter plane crashed tonight into an American dependent housing area about 20 miles southwest of Tokyo, killing two persons and injuring eight others, two seriously, a U.S. military spokesman said.

He also said four houses and about 10 cars were damaged.

The dead and injured are believed all Americans but this was not confirmed by the spokesman.

Whistling Winds Due To Ease Off

Gale-force winds continued to pound portions of Marin today, following winds yesterday which were estimated at 55 miles per hour near the Point Reyes Coast Guard Station.

That station, this morning, reported winds of 60 miles per hour while the weather bureau predicted gusts of 30-45 miles an hour for the entire Bay Area.

The winds are expected to slacken off tonight, and the temperature tomorrow is expected to be higher.

WIRE NEWS BRIEFS From Everywhere

Cole Porter Song Trove Found

NEW YORK (AP)—Between 75 and 100 unpublished songs written by Cole Porter have been found in the late composer's files. The list includes such titles as "Bertie and Gertie," "Dizzy Baby," and "He Certainly Kills the Women."

Porter

Porter, who died last October at the age of 72, was such a prolific songwriter that he often wrote two or three songs for the same stage situation.

Most of the unpublished songs were written for Porter's Broadway musicals but were never used. Some were for a motion picture that was not made.

Dr. Albert Sirmay, chief editor of Chappell and Co. music publishers, disclosed last night that he made the discoveries while looking into Porter's inventory of music material at the late composer's Waldorf Towers apartment last December, January and February.

Sirmay said that John Wharton, Porter's attorney for 20 years, had asked him to examine the material.

"They are in the style of Cole Porter, all fit for the stage," said Sirmay.

Russ Unveil Part Of Spy Case

MOSCOW (UPI)—The letter to the Soviet government newspaper Pravda said, "thank you, for the return of our husband and father." It was signed, "Mrs. R. Abel and Daughter."

The letter appeared in February, 1962, and probably mystified Soviet readers. It carried no mention of Mr. R. Abel, who he was, what he did or why his wife and daughter were grateful for his "safe return."

On Moscow television yesterday, Russians learned publicly for the first time that R. Abel was Col. Rudolph Abel, a Soviet masterspy. Television commentator Sergie Smirnov disclosed that Abel was honored by the government after his exchange in 1962 by a "foreign power" for American U-2 pilot Francis Gary Powers.

It was revealed that Abel was responsible for providing Soviet intelligence with reports on the impending Nazi attack in 1941.

The only thing Soviet viewers were not told was that the "foreign power" was the United States.

Johnson Firm In Conviction Policies Right

President Works To Get World To Share Views

By MERRIMAN SMITH

WASHINGTON (UPI)—President Johnson is firmly convinced that his Viet Nam and Dominican policies are right. And he wants the world—or at least a good part of it—to view them the same way.

Never a man to stand idly by, in the most peaceful of times, the Chief Executive has been a whirlwind of energy this week, lining up support, answering his critics, and generally seizing upon every opportunity to explain and justify his actions.

MANY APPOINTMENTS

A number of such opportunities were present in his schedule of White House appointments today. These included a talk with Henry Cabot Lodge, just back from a presidential assignment in the Far East to tell friendly nations about U.S. operations in Viet Nam; a ceremonial visit with three new ambassadors to receive their credentials, and an evening diplomatic reception.

It is Johnson's view—one that is shared by former President Dwight D. Eisenhower — that there is "only one spokesman for America in conducting our current foreign relations — the President of the United States."

LETTER FROM IKE

During an hour - long early evening stroll around the White House grounds with newsmen yesterday, Johnson made it known that he had received a letter from Eisenhower on that subject. The letter, dated April 30, was in response to an earlier telegram from the President.

"If there is anyone who opposes the President in his conduct of foreign affairs," Eisenhower wrote, "he should send his views on a confidential basis to the administration: None of us should try to divide the support that citizens owe to their head of state in critical international situations."

Pickets Facing Six Months Jail

OAKLAND (AP) — The last three of 15 pickets who demonstrated against alleged job discrimination at the Oakland Tribune last Dec. 15, have been sentenced to 180 days in jail.

Sentenced yesterday by Municipal Judge William W. Hoffman were Hector Reyna, Mark Comfort and Martin Meyerson.

Judge Hoffman, however, held the sentences in abeyance for a week to allow the trio time to appeal their convictions.

They were among the 15 who demonstrated at the Tribune. The newspaper denied their charges that it practiced discrimination against racial minorities in its hiring.

Wedding Bill Voted

SACRAMENTO (AP) — A bill allowing marriages performed by retired judges has been approved by the Senate.

Redwoods For Dag

WASHINGTON (UPI) — The Senate approved a resolution yesterday expressing the sense of Congress that a grove of redwood trees in California was a fitting memorial to Dag Hammarskjold, the late secretary general of the United Nations. The House has also passed the resolution.

Engineer License

Joseph J. Amaral of 1100 Second Street, Novato, will be issued a general engineering contractor's license by the State Contractors License Board if no objection is received. The Independent-Journal earlier reported in error that he was to receive a tile contractor's license.

WATCH THOSE ADS FOR DEALS

Car dealer Joe DeGonge of Bristol, Conn., tries to make the best of the deal by eating one of the 1,395 bananas he accepted from Mrs. Bernice Wyszynski (in car) as payment for a 1962 sedan yesterday. Mrs. Wyszynski last week presented DeGonge with 25 bananas as a down payment and insisted he honor an advertisement that gave the car's price as 1,395 bananas. He said he really didn't mean bananas, but she had the law on her side. The deal was made. (UPI Telephoto)

Congress Acts For Johnson's Defense Fund

WASHINGTON (AP) — Appropriations committees of both House and Senate approved today President Johnson's request for an emergency $700-million fund to finance the war in Viet Nam.

House leaders promptly scheduled a vote on the money bill as the first order of business after the House convenes at noon. Quick passage was expected.

In a report, the House committee noted that the president has authority to obtain the $700-million from funds already available but said "prudence dictates the enactment of the proposed supplemental appropriation."

Prompt Senate passage also was expected.

Johnson was asked about the Viet Nam war last night during a walking news conference.

He said: "It's just something we've got and I don't know how to find the answer. I've tried everything I can."

After his news conference, he addressed an audience of Texas rural electric cooperative officials. He told the officials "we are not about to flag or to fail" in the U.S. promise to help South Viet Nam preserve its freedom. He said 100 small nations are watching the struggle and "they know that if we are not successful there, they are next on the list."

In asking approval of the military fund increase yesterday Johnson put a squeeze on congressional critics of his Vietnamese policies. Behind his request there appeared to be the double-barreled objective:

1. Of forcing these critics to vote "yes" or "no" on an authorization he linked directly to supplying the military sinews for the intensified conflict in Viet Nam.

2. Of overturning by indirection the Senate Foreign Relations Committee's refusal in the foreign aid bill of an open-end authorization for military expenditures in Viet Nam. The committee headed by Sen. J. W. Fulbright, D-Ark., called this a "blank check."

Midwest Begins Long Flood Cleanup Chore

By ASSOCIATED PRESS

The worst of the Mississippi River floods — the roughest in history — appeared beyond the danger point today, but the long, costly task of repair and recovery is just beginning.

Some homes were ruined. Thousands of acres of flooded land meant a disastrous year for farmers.

In Quincy, Ill., the Red Cross distributed the first of thousands of cleanup kits to residents who weathered a 24.3-foot crest yesterday. The kits include mops, brooms, hoses, soap and disinfectant.

In Hannibal, Mo., the Mississippi began receding slowly after cresting at 24.4-feet. Readings of 24.3 in Hannibal and 24.1 in Quincy were reported late last night. Army Engineers predicted the drop would be slow and would depend in a large degree on any rain.

More than 2,500 persons have been sheltered by the Red Cross in six states since the floods began. Thousands of others moved in with friends and relatives.

Total damage will run in the millions of dollars, the Army Engineers said. A preliminary estimate in the Rock Island Engineer Corps district alone placed damage above $10 million. The district runs along from Dubuque, Iowa, to slightly south of Quincy.

Officials said the river widens below St. Louis and the level is not expected to reach flood stage.

Veterinarians Might Save Humans If Disaster Hits

SAN FRANCISCO (AP)—The nation's 20,000 veterinarians can offer a big hand to humans in event of a national disaster or other conditions of stress, says Dr. Donald C. Blenden, University of Missouri associate professor of veterinary medicine.

Dr. Blenden spoke yesterday to some 5,000 persons attending a convention of the National League for Nursing.

He reviewed for the nurses how the veterinarian, working with local health officers, can extend his usual activities to help stop the spread of disease and maintain health standards.

The activities might include supervising food processing, giving immunizations and supplying equipment, drugs and treatment facilities, Dr. Blenden said.

He added that under extreme circumstances the veterinarian could be pressed into rendering direct medical aid to humans, hopefully of a first aid nature or under supervision of a physician.

Veterinarians are apprehensive about their role in human medical care, Blenden said. "A veterinarian licensed to practice one branch of medicine might be sued for his acts, while a layman practicing the same 'first aid' would be considered a hero."

U.S. Sends Team To Aid El Salvador Quake Relief

PANAMA (AP)—An advance U.S. military team left for El Salvador today to launch relief operations for victims of the little Central-American republic's disastrous earthquake.

The team under Brig. Gen. W. K. Skaer included medical corpsmen, sanitary engineers and supply personnel. They took along 400 pounds of medical supplies.

Some 20,000 families have been camping in the streets of San Salvador, fearing a repetition of the quake which struck before dawn Monday. It killed an estimated 105 persons and injured more than 500.

If "we are going to see the hill immediately scalped, then left until these lots are sold."

He said grading could be finished by November, if there were no delay in approval, and the land "would immediately be re-seeded." Streets and first building sites would be ready by May, 1966, Parks, he predicted, would be started when grading was completed in November.

Some of last night's heavy turnout was apparently due to a mimeographed leaflet distributed to Terra Linda homes by the property owners association.

"Subtract $1,500 from the value of your home," it read, and urged Terra Linda residents to "Disappoint Draper! Show up next Tuesday."

The leaflet said a "meeting to discuss anti-Draper measures" will be held at 8 p.m. tomorrow at Nova Albion School.

Marek said his firm had met with leaders of the homeowners group and had incorporated many of their suggestions into its revised plans.

The leaflet, however, said: "The 'changes' in his (Draper's) plan are felt to be even less acceptable in many ways than the original plan."

". . . If we don't physically voice our opposition—we can shake hand with 941 brand new apartment families piled on top of us and one another."

German Warship Steams Into Bay

SAN FRANCISCO (AP)—The Deutschland, a West German naval training ship — first German warship to visit San Francisco in 26 years—sailed through the Golden Gate today for a five-day visit.

Artillery salutes crashing out from the Presidio of San Francisco were answered by the 4,500 - ton warship's guns, 68 shots in all being fired.

Carrying a crew of 280, the training ship is on a five-month, round-the-world cruise to train 267 cadets.

Husband Draws Family Row Jail Term

Lloyd Vernon Scott Sr., 33, was sentenced to 90 days in county jail today in Marin Superior Court for assaulting his wife, Mary, with a rifle on Feb. 25.

Judge Thomas F. Keating delayed start of the jail term until tomorrow. Scott, of 607 McClay Road, Novato, was also ordered to refrain from use of firearms and intoxicants during his probationary period after the jail term.

Kentfield Firemen Set Open House Saturday

The Kentfield Fire Department will hold open house at its fire station Saturday from 10 a.m. to 4 p.m., and will feature a film showing and demonstrations on the use of fire extinguishers.

Residents may also make appointments for incinerator inspections required prior to issuing of burning permits this summer.

Klan Lawyer Hammers Away At FBI Informer

HAYNEVILLE, Ala. (AP) — An FBI informer testified today that he was holding a loaded gun when a white civil rights worker was slain — but that he couldn't prevent the shooting.

The witness, Gary Thomas Rowe Jr., also said 12 shots were fired at the time Mrs. Viola Liuzzo of Detroit was killed following a march from Selma to Montgomery on March 25.

He had testified yesterday that Ku Klux Klansman Collie Leroy Wilkins Jr., the defendant, was the killer.

Attorney Matt H. Murphy Jr., general counsel for United Klans of America Inc., questioned Rowe.

Rowe said he was reasonably certain he heard 12 shots in all fired at the Liuzzo car. He added:

"Mr. Wilkins said he emptied his revolver and Mr. Eaton said he emptied his—six shots each."

William Orville Eaton, 41, and Eugene Thomas, 42, both of Bessemer, are fellow Klansmen of Wilkins and also are under murder indictments in the night-rider slaying.

Murphy, who represented Rowe before charges against the undercoverman were dropped, asked if Rowe had not told of being offered a Minnesota farm and pay for life to cooperate with the FBI.

"No sir," said Rowe. "You told me to put that out and that's how it got out."

Murphy dug into Rowe's background in an attempt to discredit his testimony.

After Rowe left the stand, yesterday, Murphy, the Klan attorney representing Wilkins, commented angrily to newsmen that Rowe had "told a G-- d--- lie and I'll prove it tomorrow."

Mrs. Liuzzo, 39, the mother of five and the wife of a Teamsters Union official, was shot to death while shuttling other marchers back to Selma following the civil rights march to Montgomery in which she, too, had taken part. A young Negro riding in the front seat with her escaped injury.

Rowe, a husky former Birmingham barroom operator, now unemployed, told the 12-man jury he saw young Wilkins, on the back seat of a car beside him, fire two shots into Mrs. Liuzzo's car on a lonely stretch of U.S. 80 near Lowndesboro.

Driving the Klansmen's car as it pulled alongside the Liuzzo automobile, the witness said, was Eugene Thomas, 42, of Bessemer. Seated next to Thomas was William Orville Eaton, 41, also of Bessemer. Thomas and Eaton also are under murder indictment and awaiting trial.

Eaton also opened fire with a 22-caliber pistol, Rowe said. But a state toxicologist, Dr. Paul Shoffeitt, who removed the death bullet from the victim's brain, had testified it was a 38-caliber slug which killed her.

Rowe said he had been a paid undercover agent for the FBI for five years.

Tiburon Drainage Discussion Set

A special meeting of the Tiburon City Council will be held at 5:30 p.m. tomorrow at Del Mar school to discuss storm drainage plans for the city.

County supervisors had planned to vote on dissolution of the Tiburon Drainage District, less than a year old, yesterday but were asked to postpone action by Tiburon City Councilman Fred C. Hannahs.

At tomorrow's meeting Hannahs said he wants to discuss the "effect of dissolution on drainage problems of Tiburon." The meeting was called last night by Mayor Gordon W. Strawbridge.

Mill Valley To Hear Church, Street Plans

Mill Valley Planning Director Harvey E. Bragdon will propose an alternate to abandoning a portion of Oakdale Avenue at the city's planning commission hearing Tuesday regarding the proposed Our Lady of Mount Carmel Church.

The alternate is to realign Oakdale Avenue 15 to 20 feet south as it would run before the church to avoid setting the church back into the hill. The abandonment would create a cul de sac, stop traffic from emptying onto West Blithedale Avenue, and give a better location for the church.

Fishing Gear Gone From Santa Venetia

Theft of $300 worth of fishing equipment from the garage of Henry D. Kirner, 125 Garden Avenue, Santa Venetia, was reported today by sheriff's deputies.

Officers said Kirner was moving to the new residence during the weekend when the articles were taken.

All the planes returned safely, the spokesmen said.

The South Vietnamese government has decided to shut down the French cultural broadcasting station in retaliation against French President Charles de Gaulle's campaign to neutralize Viet Nam, realiable sources said today.

The Vietnamese were also hitting back for France's decision to send an observer instead of its foreign minister to the Southeast Asia Treaty Organization talks on Viet Nam in London, the sources reported.

A government source said Jean Ageorges, chief correspondent of the French news agency, Agence France Presse would be expelled to show displeasure with the French position.

Terrorists Fire On U.S. Embassy In Venezuela

CARACAS, Venezuela (AP) — Terrorists sprayed the U.S. embassy with bullets today, narrowly missing several staff members. An embassy spokesman said 17 windows were shattered. No one was reported hurt.

It apparently was the latest in a series of anti-American incidents protesting U.S. intervention in the Dominican Republic.

Three men and one woman were reported seen in a group that fired from about a block away across busy Miranda Avenue in the fashionable east end of Caracas.

The terrorists then jumped into a taxi and escaped.

It all happened so fast, the spokesman said, that guards on the east side of the embassy had no time to go into action.

Sausalito Is Sued Over Storm Drains

City of Sausalito yesterday was sued in Marin Superior Court for $15,764.74 damages for alleged negligence in installation and maintenance of storm sewer pipes at 47 Prospect Avenue.

Lydia Eicher and Frances Sternloff charge the damage occurred from 1955 until 1963, that the city installed the pipes beneath the structure instead of within the proper easement prior to 1954, and that the pipes were faulty and caused rain flood damage to the building and contents.

Marin City Tools Stolen From Shop

A small quanity of tools were stolen during the weekend in burglary of a Marin County Housing Authority maintenance building in Marin City, sheriff's officers said. Entry was by removing a louvered vent.

Grace Amelia Stevenson, 11 Albion Street, California Park, told deputies the front door of her home was pried Monday. Nothing was believed taken, however.

Broemmel Is Named

The Marin County Board of supervisors yesterday authorized Bert W. Broemmel to appear before the state legislature on property tax relief measures for the elderly. Yesterday's Independent-Journal incorrectly named Supervisor Byron W. Leydecker as the emmisary.

Twin Cities' Jaycee Halts Beauty Fete

The "Miss Marin County" pageant, which had been scheduled for Saturday, was called off today by the Corte Madera-Larkspur Junior Chamber of Commerce.

Pageant executive director Richard Hoover said the event was dropped because not enough girls with both beauty and talent entered to offer the public an entertaining event. The pageant had been scheduled for 8 p.m. Saturday at the Corte Madera recreation center.

Hoover said the pageant will be held next year. On Saturday, representatives from the "Miss California" contest will be in Corte Madera to select a Marin County representative in an informal contest, he said.

He added that part of the difficulty was that the pageant was run almost simultaneously with the "Miss Marin" pageant sponsored by the Marin Visitors' Bureau as part of May in Marin festivities. Both pageans were competing for contestants.

sion late in the year and take another fling at the Democratic Party's proposals," he said.

Unruh insisted that eventually, the legislature must vote more money for state college faculty salaries.

Burns said "it may be necessary" one day to charge tuition at the colleges to solve their financial problems.

Unruh said "there is some possibility we may have to go to tuition charges in the future," but indicated he didn't think much of the idea in the immediate future.

The State Park Commission came under fire from Unruh, who accused it of allocating funds from the $150 million bond issue on projects not requested by the legislature. He said more of the money should be used for Los Angeles County beaches.

Unruh also condemned a commission resolution opposing his bill to ban liquor licenses from state parks, calling it a "miserably drawn . . . weasel worded . . . resolution."

Corte Madera police to stand by.

Minutes after the shooting, Patrolman Fred Talmadge of Corte Madera police cruised into the shopping center parking lot and, seeing the injured Ferranti, called for an ambulance. California Highway Patrol officers also arrived within minutes.

Asked later by Carlton whether he heard his warning shouts, the youth replied, "I didn't think you would shoot." About the stolen car, his alleged excuse was, "I just wanted a ride home."

Police said today Ferranti was booked for stealing the car. The youth is also wanted in San Mateo County for parole violation, they reported.

When Ferranti asked for his wife to see him in the hospital last night, Carlton notified her, but she told him they were separated.

Students Given Free Plunge Use

The Marinwood Park and Recreation Commission last night agreed to let pupils at Miller Creek School use the Marinwood swimming pool at no charge for the school's physical education program for the last month of the school year.

The commission called a budget session for 8 p.m. May 18 at the community center, Chairman William T. Lane reported.

Bids on the maintenance building at the community center are to be opened before the Marinwood Community Services District board at 8 p.m. May 20, he said.

lying disabled in the river which bisects Santo Domingo. Fate of its crew was not known. Observers believed it was bringing in arms and ammunition from a foreign country for use by the rebels.

Otherwise the military situation was comparatively quiet with only scattered firing heard through the city.

Many of the younger rebels remained militantly opposed to the American forces in Santo Domingo and one small group said last night the rebels will "slaughter" U. S. forces here unless they surrender to the Communist - backed insurgents.

Military sources said eight American servicemen had been killed but did not have details of the latest death. Previously three Marines and three paratroopers were reported killed in action and 49 wounded. Another paratrooper was killed by an accidental grenade explosion.

In Washington the Defense Department announced today that there are now 19,363 U.S. troops in the Dominican Republic.

This is 5,363 more than the last officially announced total reported by President Johnson in a radio television broadcast Sunday night.

There was no immediate word on when or how the increase was made.

The Defense Department broke down its total to 12,439 Army troops and 6,924 Marines. It said the Army troops are mostly members of the 82nd Airborne Division. The Marines are mainly of the 2nd Marine Division.

Key-Stealing Vandals Raid Schoolrooms

Vandals, apparently juveniles in possession of keys, last night did damage estimated at $1,000 to Miller Creek School classrooms and offices in Marinwood.

Sheriff's deputies said the vandals entered the school between 7 and 7:45 p.m. They poured soft drinks into typewriters, broke the bottles, and overturned teachers' desks.

The intruders also pushed a $250 copying machine to the floors and invaded the school's photography laboratory to damage a $600 movie camera.

Raymond A. Riley, school principal who discovered the damage about 8 p.m., told officers a seventh grade teacher, Mrs. Ruth Kilby, reported her ring of keys had been stolen off her desk. Officers said these keys presumably were used for entry.

Prints of two pair of tennis shoes were found by investigating officers.

Five Drivers Get Drunken Driving Fines, No Jail

Five persons were fined in Marin Municipal Court yesterday for drunken driving.

Francis Leo Keese, 53, San Francisco, was fined $220. He was arrested by Mill Valley police on Blithedale Avenue on April 6.

Clayton Janna Phillips, 41, of 216 Marydale Road, San Rafael, was fined $276. He was arrested on Highway 101 on April 6 by California Highway Patrol.

Ethel Fantry Middagh, 53, of Ross, was fined $166. She was arrested April 24 by San Rafael police at First and Hayes Streets.

George McLaughlin, 64, Lagunitas, was fined $220. He was arrested March 6 by the patrol on Sir Francis Drake Boulevard.

Douglas Mills Chapman, 49, of 339 San Anselmo Avenue, San Anselmo, was fined $166. He was arrested by Fairfax police on Broadway on Feb. 26.

Sewer Bid Date Set

The Corte Madera Sanitary District board last night set an adjourned meeting at 8 p.m. May 18 at the district office to consider bids for replacement of sewer lines on Echo and Harbor avenues.

William J. Sheehan Dies At 34

William J. Sheehan Jr., 34, of 160 McAllister Avenue, Kentfield, died yesterday in a Vallejo hospital from injuries suffered in a car crash Friday at 9:15 p.m. on Highway 48 near Vallejo.

He was a passenger in a car driven by Donald Brazell, 38, of 1665 Center Road, Novato, who, according to California Highway Patrol, has been charged with manslaughter. Officers alleged Brazell crossed the center line.

The vehicle was in head-on collision with a car driven by Thomas Kjeadsand of Santa Rosa, and ended up half-submerged in a slough after leaving the road.

A native of Connecticut, Sheehan worked as a bartender. He had lived in Marin County for 30 years.

Surviving are his parents, Mr. and Mrs. William J. Sheehan Sr. of Sacramento; six children, Michael, Susan, Kellie, Jeanie, Michelle and Patrick Sheehan of Novato; three brothers, Robert Sheehan of Terra Linda, Barney Sheehan of Oakland, and Paul Sheehan of Greenbrae, and a sister, Ann MacCarthy of Novato.

Requiem Mass will be offered tomorrow at 8:30 a.m. at St. Sebastian's Church, Greenbrae, followed by burial in Mount Olivet Cemetery, San Rafael.

GRACE E. COBB

Private funeral was held today for Grace Elizabeth Cobb, 86, of 32 Maple Avenue, Kentfield, who died yesterday in a local hospital after a long illness.

A native of Olean, N.Y., she was a graduate of Cleveland Reserve College in Cleveland, Ohio. She taught school for many years in Cleveland, coming to Marin County 16 years ago.

Surviving are two sisters, Mrs. Cobb-Souza and Mrs. Florence M. Morris, both or Kentfield.

Burial was in Mount Tamalpais Cemetery, San Rafael.

Tributes may be contributions to the Diabetic Youth Foundation, 1429 Fourth Avenue, San Francisco.

LORETTA RODGERS

Mrs. Loretta Rodgers of 170 Edward Court, San Rafael, died last night in a local hospital after long illness. She was 70.

A native of New York, she lived most of her life in Fresno with her late husband, John Atwood Rodgers. For the last year and a half, she had lived with her daughter, Mrs. Geraldine A. Furst of San Rafael. She is also survived by three grandchildren.

Arrangements for the funeral, which will be held in Fresno, are pending.

J. F. REIS SR.

Requien Mass will be offered at 10 a.m. tomorrow in Holy Innocents Church, Corte Madera, for Joseph Francis Reis Sr., 55, of 322 Oakdale Avenue, Corte Madera, who died Monday.

Burial will be in Mount Tamalpais Cemetery, San Rafael. There will be recitation of the Rosary 7:30 p.m. today at Russell and Gooch Mortuary, Mill Valley.

Reis, a lifelong Marin resident, was a maintenance employee with Tamalpais High School District for 22 years.

COURT ORDERS SHEPPARD JAILED

Doctor Must Return To Penitentiary For Wife's Slaying If Appeal Fails

CINCINNATI (AP) —Dr. Sam Sheppard was ordered back to prison today to resume the life sentence for the slaying of his wife interrupted temporarily by a federal judge who ruled he had been unfairly tried.

The 6th U.S. Circuit Court of Appeals agreed with the judge who freed Sheppard that publicity about his trial "as not of a nature calculated to inspire confidence in the objectivity and good taste of the public news media."

But it held there was no constitutional basis for overturning the conviction.

Sheppard's lawyer, F. Lee Bailey of Boston, has 20 days in which to appeal this ruling. He said today he would fight "direct to the U.S. Supreme Court" if necessary.

Sheppard will not go back to prison until the court's order has been served on him.

For Sheppard, the decision ended months of uncertainty. He and the former Ariane Tebbenjohanns, the 35-year-old blonde he married soon after his release from prison last summer, had lived quietly in suburban Cleveland awaiting the appeals court decision.

"When you've gone through 10 years of hell," Sheppard said in his only interview since his release, "You know how precious your freedom is."

He can apply for parole immediately after — and if — he goes back to prison.

Sheppard and his wife got the word at their home in the Cleveland suburb of Rocky River. He referred all questions to his lawyer.

Sheppard said he understood he would have at least 20 more days of freedom.

Minutes after the decision, Sheppard, dressed in a brown silk suit and carrying a brown canvas-wrapped package, got into his sports car with his wife and drove away. He refused to say where he was going.

Sheppard spent his freedom reading medical journals, hoping to resume the osteopathic practice halted by his conviction in the July 1954, slaying of his pregnant wife, Marilyn, in their suburban Bay Village home. He contended a "bushy-haired" intruder beat her to death.

BADMAN FITS PATTERN FOR NOVATO FETE

Ghosts of the old West often haunt Novato about the time of Western Weekend, but one hit the police blotter early this year.

Lawrence William Beeley of 5 Villa Maria reported theft of a powder flask containing black gunpowder and a .44 caliber bullet mold.

Here the old West stops and the new West takes over. The items, valued at $25, were taken from his unlocked house trailer parked in the driveway at his home during the weekend, he told police yesterday.

Tiburon Council Appoints Woman

Mrs. Jacqueline A. Parnell, a candidate in the first city council election last year, was named last night to fill a council vacancy.

She was backed by petitions with more than 20 signatures urging that the next in line from last June's election be chosen for the council. Mrs. Parnell was sixth, 80 votes behind Fred C. Hannahs who gained 483 votes, lowest among elected councilmen.

She will replace Leo Souza, whose resignation becomes effective Monday. Souza resigned at last Monday's council meeting after voting against re-election of Gordon W. Strawbridge as mayor.

Mrs. Parnell was appointed last night by the four remaining councilmen during a special closed session at Del Mar School which lasted about 45 minutes, Mayor Strawbridge reported.

He declined after the meeting to make public the vote on her selection, saying councilmen had been "sworn to secrecy." But it was understood that Strawbridge, councilmen John S. Hoffmire Jr. and Fred C. Hannahs favored Mrs. Parnell's appointment. Councilman Anne L. Ellinwood was reported to have been opposed.

The petitions urging her appointment were circulated by Mrs. Patrick Armitage, Mrs. Wellman H. Topham and Mary Poole.

Mrs. Armitage said today that she was not acquainted with Mrs. Parnell but believed appointment of the next person in line on the voter's list was "logical and reasonable."

Mrs. Parnell is the wife of Edward T. Parnell, business representative for the San Francisco City and County Employees Union. She is secretary of the Tiburon Peninsula Coordinating Council, a member of the community appearance subcommittee of the Tiburon Citizens Planning Advisory Committee, vice president-elect of the Tom Thumb chapter of the Children's Home Society, and treasurer-elect of the Reed School District Parent-Teacher club. She is chairman of the Marin membership drive for the Berkeley Co-op.

Park Ceremony Gets Discussion

Directors of the Glenwood Homeowners Assn. last night discussed plans for the dedication ceremony at Victor Jones Park June 5.

Vice-president Henry Van Galen was named to head a committee to work out details of the ceremony.

Secretary Robert C. Rice said a family day is expected to coincide with the dedication. Work on the new park is 80 per cent complete, San Rafael Recreation Director Joseph D. Rodota told the group.

Fairfax Recreation Budget Proposal Set

Fairfax Park and Recreation Commission last night decided to submit a budget request of $8,173 to the city council for the maintenance of its program in the next fiscal year.

The commissioners put off decision on capital improvements they would like made in the next year. They expect these improvements will add another $7,000 to the budget request.

Publicity Studied By Foundation

Methods of letting the public know about the work and purpose of the Novato Civic Foundation were discussed last night by foundation directors.

George Barnwell was named chairman of a committee to keep service organzations informed of the foundation's activities to raise money to purchase park lands.

Next meeting will be at 8 p.m., June 1 at the Community House.

San Anselmo Schools Tax Boost Predicted

Supt. Stephen Parodi presented a $1,257,142 tentative budget to the San Anselmo School District board last night, and predicted a tax increase of about 16 cents. The budget is an increase from $1,144,151 this year.

The board set another budget session for Tuesday at 8 p.m. at Isabel Cook School and still another for May 18.

Parodi said the tax rate may be cut if the district moves quickly enough to sell bonds approved April 20 by the voters. He said this would save about five cents per $100 assessed valuation in payments to the state on a loan to purchase the Red Hill site. Payments drop when land is being used.

Parodi said more loan repayments could be deferred, but the district would have to make them up later.

He recommended that the general purpose operating tax rate go up from the present $2.145 to the district maximum, $2.52.

The total tax rate, including bonds, is expected to rise from $2.975 to $3.14. Quick sale of part of the $700,000 bond issue and notification to the state could lower the rate to $3.09.

Increases in the budget include $37,660 for pay raises, $21,000 for new teachers, $7,000 for a combination administrative aide and seventh and eighth grade teacher, $14,000 to start a program of remedial reading and classes for educationally handicapped, and $15,000 for portable classrooms and furniture.

An item of $3,440 requested by the San Anselmo city park and recreation department to help support a year-round recreation program at the schools was left off the recommended budget, but has not been dropped from consideration completely, Parodi said.

Fairfax Board Sees Plan For School Site

The Fairfax School District board looked at preliminary sketches last night of a master plan for its new 20-acre school site.

The plan, prepared by architects Crawford and Banning shows a 600-pupil junior high school and a 650-pupil 18-room elementary school with two kindergarten rooms.

Construction of the first seven classrooms for the seventh and eighth grade school, plus library, administrative wing and rooms for manual training, homemaking and science is planned immediately, said Supt. Homer Sisk.

The master plan will be reviewed by the board's architectural advisory committee at 8 p.m. next Wednesday at Central School.

The board re-hired 34 teachers for its present three schools for the 1965-66 school year after agreeing with Sisk that enrollment has not grown enough to call for expanding the staff.

Only "new" teacher is Margaret A. Ritter, who will be transferred from a special education class to teach second grade at Manor School in place of Mrs. Linda Jones, now on maternity leave.

Contract for district auditing services was renewed with Dalton, Graupner and Barber of San Rafael.

Board members took a look at the county's parks and recreation master plan and decided they would have to study it more before sending comments to the Fairfax City Council or Marin County Board of Supervisors.

Board president Laurence G. Hermann was absent.

Accountants Face Lawsuits On Coffee Loss

Damages totaling $6,113,231.68 are sought in four suits filed yesterday in Marin Superior Court against the international certified public accountant firm of Peat, Marwick, Mitchell and Co.

Plaintiffs are four banking companies who allege misleading and inaccurate accounting reports caused them to loan money to Otis, McAllister and Co., San Francisco based importers of coffee who went bankrupt three years ago.

Accounting firm partners ranging up to 28 persons are named as co-defendents. The suits were filed in Marin County because "at least one" defendent resides here. He is Aldo Richeda of 2 Tappan Court, San Anselmo.

The plaintiffs allege that annual accounting reports on Otis for 1958 through 1960 were inacurate, misleading, and failed to show the latter firm was "out of trust" by seven or eight million dollars as of Oct. 30, 1961.

Bank of America is seeking damages of $3,550,885.91; Wells-Fargo asks $699,355.32; J. Henry Schroder Banking Corp., $730,000, and Chase Manhattan Bank, $1,132,990.45.

The suits, which may be consolidated because of common allegations, claim Otis was financing its purchase of coffee through loans by the plaintiffs "and others."

Otis, one of the world's largest dealers in coffee, blamed its financial situation on conditions in the coffee market and Fidel Castro's seizure of Cuban properties valued at more than two million dollars.

The firm had head offices in San Francisco, and interests were throughout the U. S. and in Canada, Mexico, and Central and South America.

It was declared bankrupt in March of 1963.

Peat, Marwick, Mitchell and Co. also have San Francisco offices.

Peninsula Jury Indicts Author

REDWOOD CITY (UPI) —Author Kenneth Kesey and 13 friends were indicted by the San Mateo County Grand Jury yesterday on felony marijuana charges.

Kesey, who wrote "One Flew Over the Cuckoo's Nest" and "Sometimes a Great Nation," was among the 14 persons arrested during a police raid on the author's home April 24.

Sheriff's deputies said they had kept the five-room house in the rustic La Honda area of the San Francisco Peninsula under surveillance for two months prior to the raid.

Kesey and nine other men and women were charged with possession of marijuana and resisting arrest. They denied the charges.

Sausalito Police Set Inspection

The Sausalito Police Department will have its annual inspection at Vina del Mar Plaza at 10 a.m. May 15 to honor officers who gave their lives in the line of duty.

The ceremony will be in observance of National Police Week, May 9-15.

Police Chief Kenneth H. Huck said the department would have scheduled open house for the public, but the facilities in Sausalito do not lend themselves to an open house.

Carlisle To Get University Award

Chester G. Carlisle, superintendent of Tamalpais High School District, has won an award from University of San Francisco for his work in the district.

Carlisle on May 13 will be awarded the Roy W. Cloud Award for "outstanding leadership in public school administration resulting in continuous advancement of educational standards." The award will be made before graduating university students in the field of education.

Redwood Literary Magazine On Sale

A combination of new-generation literature, studies in language and writing, and artistic photography compose Redwood High School's sixth annual literary magazine, Orpheus, which is now on sale.

Orpheus, edited by senior William Cassidy and junior Howard Lazar, collected a wide variety of student works, ranging from blank verse poetry to translations of classical literature to short sketches in prose; also included were contributions from German students at Redwood's sister school in Preetz.

Housing Board Votes To Buy Elderly Housing Units Site

Marin County Housing Authority commissioners last night authorized purchase by option of a 2.18-acre site in Santa Venetia as site for 50 housing units for the elderly.

Purchase must not exceed the appraisal by more than 10 per cent and will also depend on the property being rezoned by the county from agricultural to multiple use, said Donald O. Stutsman, housing authority executive director.

Stutsman refused to release the appraisal price of the property owned by Herman Schmidt on the north side of North San Pedro Road near the Civic Center.

He reported no success in obtaining a bank loan of $175,000 to avoid having to sell Hilarita Housing. Four banks refused to make the loan, he said.

Stutsman was directed to continue to negotiate with mortgage brokers and insurance companies as well as other banks and asked to seek help from the county administrator. Commissioner Philip S. Ehrlich Jr. said, "This is a county problem as well as an authority problem."

Jesse E. Berry was elected chairman of the board of the redevelopment agency at its meeting preceding the housing authority session. Berry fills the chairmanship vacated by Alton S. Lerch of Novato, who resigned from the board. Herman Hale of Larkspur, named to replace Lerch, sat in on his first meeting.

George C. Goheen of Mill Valley was elected vice chairman.

Application for a $250,000 loan has been made by the California Development Co. to Federal Housing Administration to finance construction of a grocery, gasoline station and shops in the Marin City commercial area near Highway 101.

Rev. Don Schilling, pastor of St. Andrew United Presbyterian Church, said the church has awarded a construction contract to Charles J. Hendrickson of San Rafael and that ground will be broken May 16 for the church. The congregation meets now in the community center.

Commissioners gave Rev. Samuel L. Banks of Village Baptist Church title to property for a Marin City church provided Banks can show adequate financial resources to complete construction in one year.

Police Burglary Hearing Delayed

Two San Francisco policeman and three other men were granted a two-week delay yesterday before they must enter pleas on charges stemming from last month's attempted break-in at San Francisco home of Sausalito's Mrs. Marsha Owen (Sally Stanford).

San Francisco Superior Court Judge Norman Elkington said the five defendents, indicted for burglary and conspiracy, could wait until May 18 so their attorneys could see photographs and hear recordings made by police in the case.

Officers Patrick Buckman and Salvatore Polani are charged along with ex-convicts Winston Major, Wesley Grant and Louis Romero.

Attorneys To Get Landmarks Honor

Belvedere attorney Thomas M. Lacey will be made an honorary member of the Belvedere-Tiburon Landmarks Society at a reception in his honor Monday.

Lacy will be honored for his work as legal counsel in the society's successful effort to preserve the wildflower area around Old St. Hilary's Church. The reception will be held at the church at 5:30 p.m. and will include election of landmark corporation directors.

Novato Woman Better After Pill Overdose

Mrs. Danette Helen Coleman of 7020 Redwood Highway, Apt. 5, Novato, was in good condition today in San Rafael General Hospital after reportedly taking an overdose of pills.

Mrs. Coleman took 60 aspirin and 25 librium pills, about 8 p.m. Monday, but it was not reported to police until 10 a.m. yesterday, according to police reports.

Session Due

The Kentfield Fire District board will hold its meeting one week late, at 8 p.m. tomorrow at the Kentfield fire house. The meeting was postponed last Thursday because of lack of a quorum.

16.5-Cent Tax Boost Is Seen For Sausalito

A proposed fiscal 1966 budget of $732,065, carrying a 16.5-cent tax boost, was presented to the Sausalito City Council last night.

City Mgr. Charles A. Brown presented the budget, which represents a $65,000 increase over the current budget.

If adopted as proposed, it would raise the city's tax rate from 98.5 cents per $100 valuation to $1.15.

Majority of the increase would be in salaries, which would total $372,755 as compared to $331,185 in the current year.

Brown recommended the addition of two police officers, two firemen and a planning clerk. He also recommended salary adjustments in 11 classifications which he said would put employee salaries in competitive position with other cities.

If all or a major portion of cities in Marin grant general across-the-board raises, then Sausalito will have to follow suit, Brown said. "If the trend is for a five per cent salary adjustment then this will be my recommendation in addition to the specific adjustments," he said.

Brown called the proposed budget "a typical example of a 'bare bones' budget." He said city revenues have reached saturation point or will reach it within the next year or two.

The proposed operation and maintenance budget of $221,260 represents a $20,000 increase over the current year. "The increases are for the lease, instead of purchase, of police vehicles, major repairs to fire and ambulance vehicles, the tennis program, library book purchases, retirement increases and the biennial election," Brown reported.

The capital outlay budget of $138,000 is $5,000 over the current budget with "major increases necessary in the fire department," Brown said.

The only major public works project slated for the year is the development of the corporation yard, he said.

The major street improvements to be financed by gasoline tax funds are widening Main Street and Fourth Street to Crescent; paving Woodward Street at Langendorf Park, and reconstructing of shoulders on Pine, Turney and Easterby streets.

Public works projects slated to be financed by general funds are drainage and street reconstruction on Pine Street at Caledonia; curb, gutter and sidewalk along Bridgeway between Napa and Filbert streets and on Easterby at Langendorf Park, stairs at Testa Street, corporation yard street improvements at Nevada and Tomales streets, and replacing of 250 feet of sewer main along Bridgeway.

Other major capital expenditures include replacement of water mains, a pick-up truck for the parks department, second phase development at Langendorf and Cloud View parks, and fire house land payments.

The council finance committee will meet next Tuesday and Thursday at 7:30 p.m. to review the proposed budget in the council chamber.

County Road List May Not Please City Of Tiburon

The Marin County Board of Supervisors, yesterday, expecting to get some criticism from the City of Tiburon, adopted a list of road priorities that the city does not like.

The list is the county's annual request to the state division of highways. It lists improvement of Highway 101 through San Rafael as top construction priority, expansion of Highway 101 through Novato as second priority, and improvement of Tiburon Boulevard to Reed Ranch Road as third.

The Tiburon City Council has asked deletion of Tiburon Boulevard from the priority list.

Supervisor Byron W. Leydecker said improvement of the boulevard was probably a "more over-all problem" than the City of Tiburon realized. He said full recognition should be given in the design to the "aspirations of the City of Tiburon."

Other board members agreed to this, but got stuck on another issue in the priority list. This was inclusion of Shoreline Highway from Five Brooks to the vicinity of Point Reyes Station as number two item for long-range planning.

Number one item was a route from Nicasio to the vicinity of Novato. This was endorsed without discussion, but Supervisor Ernest N. Kettenhofen, who thinks Bolinas Ridge the best location for Shoreline Highway, voted against the list, saying it came to the board without enough time for study.

The list includes an east-west freeeway route to the vicinity of Point Reyes Station as the first and only priority under projects for survey, design and right of way acquisition.

Public Works Director Donald R. Frost said the list was the same as submitted last year and the year before, since none of the projects has yet been tackled.

FSM Leader Will Speak At Banquet

A 1956 Sir Francis Drake High School graduate wh owas a leader in the "Free Speech Movement" at University of California will speak on "FSM and the Press" at the annual Tamalpais High School District journalism awards banquet.

Michael Rossman, mathematics graduate student and teaching assistant at U.C., will speak to journalists and parents of Redwood, Tamalpais and Drake High Schools May 12, at 6:30 p.m. at San Francisco Theological Seminary, San Anselmo.

Dr. J. M. Stubblebine, district board chairman, will present awards for the best school newspaper and for individual writers in the categories of editorial, news, feature, and sports.

Judges in the competition are Bryce W. Anderson, city editor of the Independent-Journal; Paul Peterzell, city editor of the Mill Valley Record; and William D. Earle, Marin reporter for the San Francisco Examiner.

Talk At Church

"People, Poverty, and Plenty" will be the subject of Lonnie Berry of the Marin County Department of Social Services at the annual May Fellowship Day of Nova-Loma Council of United Church Women of North Marin at 9:45 a.m. Friday at St. Francis Episcopal Church, Novato.

Strep Infections Lead Disease List

Sixty-one new cases of streptococcic infections were reported last week to the Marin County Health Department, health officer Dr. Carolyn B. Albrecht announced today.

Also reported were nine cases of measles, seven of mumps, two of tuberculosis and one of salmonella.

Sausalito Merchant Parking Vote Delayed For Village Fair Opinion

The Sausalito City Council last night delayed action on a proposed parking validation plan for merchants until the Village Fair Assn. has its say.

A three-member committee of the association, representing 40 merchants at Village Fair, requested the postponement so association members could discuss the proposal at a meeting Friday.

The council left the next move up to the discretion of Mayor Jan Paul Dyk.

Council members felt that if the tenor of the association members Friday is in favor of the plan, the mayor should authorize printing of parking validation tickets. If there is strong opposition from the association, the council will give the opposition a hearing at the May 18 council meeting.

William W. Remak, representing Sausalito Artists and Merchants, objected to the delay. Remak said 36 merchants support the plan and have pledged $440 to the project, which would be on a six-month trial basis.

Eight of the merchants supporting the plan are from the Village Fair, he said.

Councilman Melvin S. Wax opposed the procedure and contended that the council should postpone action for two weeks so the Village Fair merchants would have an opportunity to present their views to the council.

Under the plan a merchant would buy 100 parking tickets valued at 10 cents each and give them to his customers who could use them at Parking Lot 3, the downtown lot which has attendents.

The council approved granting 25 parking permits to Sausalito merchants at $7.50 a month each, for use at parking lot 3, Monday through Fridays.

City Mgr. Charles A. Brown reported revenues at the lot under the attendent system were about the same last month as they were in April, 1964, under the meter system. There was an increase in cars using the lot on weekends and holidays, he said.

The council approved summer tennis instruction by a pro fessional instructor at Richardson Bay School courts. Councilman Melvin S. Wax dissented, saying he felt the $40 fee for the course too high. The council directed the recreation commission to look into possibility of having Saturday morning tennis aside from the professional instruction.

The Sausalito City Council Also:

1. Received a letter of commendation from the Sausalito Citizens Council for the council's stand against proposed development of Marincello.
2. Opposed an assembly bill which would provide a mandatory 40-hour week for firemen after July 1, 1970.
3. Approved a request from Sausalito Artists and Merchants to shoot off fireworks in the city July 4, at a site yet to be selected.
4. Received notice from the Sausalito Foundation that it will sponsor and manage a fund campaign for a new sea lion statue, offshore from Bridgeway seawall.
5. Granted City Engineer B. J. Whitlow an increase in fees, estimated at about 20 per cent, and agreed to place his matters at the beginning of council agendas so he doesn't sit "around for hours" at his hourly rate waiting for engineering matters to be discussed.
6. Postponed accepting an agreement with the Sausalito School District on recreation use of Bayside Park until May 18.
7. Told Brown to ask the county public works department to get started on constructing traffic islands along Bridgeway at the entrance to the Big G Market.
8. Welcomed Mr. and Mrs. Sergio Fuenzalida of Vina del Mar, Chile, which is Sausalito's sister city.

RADIO STATION'S TOWER APPROVED

Second Applicant For San Rafael Hill Site Withdraws Plans, To Ask Taller Antenna

The San Rafael Planning Commission last night approved a use permit for Radio Station KTIM to build a 105-foot, metal FM transmitting tower atop San Rafael Hill.

Vote was 5-1, with Commissioner John A. Miskimen dissenting. Commissioner Charles J. Hendrickson was absent.

The action led another applicant, Richard Spight of San Rafael Hill Inc., to withdraw his request temporarily. He said he would re-submit it, asking for a taller tower than the 48 feet he had planned.

Commissioners tried hard to avoid treating the two firms as though their applications were in direct competition with each other. They were not always successful.

KTIM Manager Hugh E. Turner, who had clashed with Spight when the matter first came up a week ago, opened his remarks by saying, "We're not competing with anybody."

Later, however, Commissioner Pat Hetherton queried Spight about the fact that both he and KTIM hope to lease their towers to other firms for joint use.

"To some extent you are competitors," concluded Hetherton, and Spight replied, "I believe you are right."

City Planner George H. Rodgers objected to the tower height and its planned location, southeast of the hilltop cross. He suggested it be held to the 50-foot limit imposed in the past and suggested Turner try to find a location "that would offer more screening for the tower."

Sailors Complete Basic Training

Navy Seaman Apprentice David L. Wescott, son of Mr. and Mrs. Kessler D. Wescott of 16 Napa Street, Fairfax, and Hospital Apprentice Michael F. Smith, son of Mrs. Greta Smith of 300 Olema Drive, Fairfax, have both completed their basic training in San Diego.

Following their leaves, both will return to San Diego for further schooling with the Navy.

Sister Schools Might Be Added By Redwood High

Redwood High School, now involved in a sister school student exchange with the Freidrich Schiller Gymnasium in Preetz, Germany, may add two new sister schools to its international activities, creating a four-way exchange.

The prospective partnerships are in Blandford, England, and Tarbes, France.

The link was initiated when Redwood joined with Preetz under the School Affiliation Service exchange program six years ago. For the past five years the schools have been exchanging students for a full term of study.

The Schiller Gymnasium in Preetz also developed exchanges with the secondary schools in Blandford and Tarbes. Completing the chain, Redwood recently sent art exhibits to all three schools. However, Blandford and Tarbes, while individually connected with both Preetz and Redwood, have not opened a formal exchange, though one is planned.

The four-way partnership will be strengthened when 30 Redwood students visit Blandford, Preetz and possibly Tarbes, next summer on a student tour led by French and German teacher Robert Mautner.

Why so many Dentists Say Clean Dentures This Way...

Special "fast-soak" formula restores original whiteness

A recent coast-to-coast survey proves more dentists now give KLEENITE—the newer, safer way to clean dentures—than all other denture cleaners *combined*.

Abrasive pastes or hard brushing may scratch dentures... cause 'teeth' to be dropped or broken. But today dentists know how *soaking* in KLEENITE beats even the hardest brushing with an ordinary dentifrice.

Fast-acting KLEENITE combines *three* stain-removing actions: (1) detergent; (2) oxidizer; and (3) solvent.

With this special *triple-action* formula, KLEENITE safely soaks away discolorations and dingy smoke stains... soaks away embedded stains that pastes and brushes can't even reach. Get KLEENITE today at drug counters.

Cleans costly dentures and 'bridges' like fine jewelry.

LAWMAKERS STUDY NUDITY

Jenny Lee, president of the Exotique Dancers League of America tells the state Assembly Criminal Procedures Committee in Sacramento that it should favor the law proposed by Assemblyman Joe Gonsalves, D-Artesia, allowing local governments to ban topless waitress costumes, because "nudity should be kept on the stage." Gonsalves (foreground) lost when lawmakers decided the matter needed more study and also killed two other anti-topless bills. Meanwhile, bare-bosomed performers arrested in April raids in San Francisco' North Beach were due to begin trial today. (AP Wirephoto)

'Civil Rights Package' Is Planned By Bagley

I-J Special Report

SACRAMENTO — A "civil rights package" of a half dozen bills, including those on housing loans and fair employment, will be submitted later this month in the State Assembly, Assemblyman William T. Bagley, R-San Rafael, announced yesterday.

Bagley has introduced "spot bills" with bill numbers (AB 3371 to 3377) to reserve spots on the legislative calendar.

Bagley said the civil rights bills will propose amendments in the state Labor Code and Civil Code to safeguard the rights of all citizens.

Other spot bills introduced by Bagley include these:

AB-3367—Requires every motor vehicle to be equipped with a mirror on the left side, in addition to the mirror now required. This was requested by Marin County supervisors.

AB-3362 — Provides that the Marin Transit District board shall consist of the board of supervisors and two members appointed by them from a representative group of mayors or councilmen of cities in Marin.

AB-3369 — Specifies that the Department of Fish and Game may purchase and import spawn or ova of fish to stock the waters of the state.

AB-3364 — Specifies that the Fish and Game Commission may allot to California citizens unallotted state tidelands for cultivation of shellfish.

Moderates Win Over FSM In Cal Election

BERKELEY (AP) — A leader of the Free Speech Movement was beaten by a nearly 2-1 vote by a University of California student body moderate in balloting for president of the Associated Students.

The vote reported today showed decisive victory for Jerry Goldstein, 20-year-old agriculture economics student, in defeating Sandor Fuchs, a defendant in the Free Speech Movement's sit - in disorders in December, 3,970 to 2,078.

Two other top positions in the huge student body governing organization also went to moderates. Tim Lyons of Davis was elected first vice president and Nancy Tyson of LaVerne, second vice president.

Lyons defeated a Slate - FSM candidate, Marston Schultz, 3,686 to 2,400 and Miss Tyson won 3,573 to 2,331 over another Slate-FSM nominee, Shirley Arimoto.

Appraiser Bill Gains In Assembly

I-J Special Report

SACRAMENTO — San Rafael Assemblyman William T. Bagley's campaign to eliminate political appointments of inheritance tax appraisers made headway yesterday before the Assembly Committee on Government Organization.

Bagley's measure (AB 1011), which would strip the state controller of the 154 inheritance tax appraisers personally appointed by him, passed the Committee on Government Organization, headed by Assemblyman Milton Marks, R-San Francisco. The bill now goes to the Ways and Means Committee.

Bagley's proposal calls for a self appraisal of estates.

"It would be just like any other tax return," said Bagley. "The individual lists the value of the property. This is then audited by the State Board of Equalization."

Billy Graham Opens Crusade In Denmark

NEW YORK (AP) — Evangelist Billy Graham says he hopes his eight-day crusade in Copenhagen "might be the beginning of a spiritual awakening in Denmark and throughout Scandinavia."

Before leaving last night for the crusade, Graham said he hoped that as a result of his evangelism the non-churchgoers of Scandinavia would return to their churches.

Sugar In Gas Tank

Dolph Barnett of 25 Bigelow Avenue, Mill Valley, reported to police yesterday that someone poured sugar into the gasoline tank of his car last Friday or Saturday.

Fire Day Saturday

San Anselmo Fire Department will hold open house from 10 a.m. to 4 p.m. Saturday in observance of Fire Service Day, not tomorrow as incorrectly reported in Monday's Independent-Journal. Both stations in the Hub City will be open.

Bank To Buy School Bonds

The Bank of America beat out the closest of five other bidders for $350,000 in Ross School District construction bonds yesterday by .0006 of a per cent.

The Marin County Board of Supervisors awarded the bond purchase contract to the bank at the offer of 3.2263 per cent. United California Bank bid 3.22691 per cent.

Highest bid was 3.381 per cent.

Budget On Agenda

Sausalito School District trustees will meet at 8 p.m. today in the district office to discuss the fiscal 1966 budget. Preliminary 1966 budget is $830,000. The current budget is $786,000 and the tax rate is $2.27.

Rockefeller Has Third Term Plan

ALBANY, N.Y. (AP) — Gov. Nelson A. Rockefeller plans to run for a third term as New York's chief executive but he hasn't ruled out a new bid for the Republican nomination for president.

"I have every intention" to run for re-election next year, he told a news conference yesterday.

Asked about another try for the GOP presidential nomination, Rockefeller replied: "I haven't ruled it out; I'm just not thinking about it."

Auto Is Stolen

Ralph H. Brown reported to Mill Valley police at 7:50 a.m. today that, during the night, someone stole his 1962 black and gold Jaguar from his carport at 39 Roque Moraes Drive.

Bolinas Beautiful But Talk Tedious

By RICHARD LYTTLE

Bolinas Lagoon, home of the egret, scene of beauty, haven for clam diggers, delight of bass fishermen and the topic of tedious talk for many weeks, was discussed again at length before the Marin County Board of Supervisors yesterday.

The supervisors decided it would all have to be discussed again May 18.

Up for discussion yesterday was the county planning commission's recommended list of purchase priorities for land around the lagoon.

The planning commission came up with this list Monday evening. The purchase of shoreline parcels is designed to preserve the visual attributes of the bay.

The property recommended for public purchase would cost around $311,000, according to appraisals by the county assessor.

Attorney Robert W. Pendergrass, representing the Finley family, protested inclusion of Finley property in the list of priorities, saying marina development is planned in connection with a lease with the Bolinas Harbor District.

Supervisors put off decision on the planning commission's recommendation to May 18 when proposed open area zoning for the lagoon itself is to be discussed.

Prior to this discussion, the board voted 4-1, with Supervisor William A. Gnoss dissenting, to set up residential zoning that will permit cluster housing by John Campbell on a 15.5 acre parcel at Bolinas.

Supervisors determined that the average density of one home for every 40,000 square feet allowed by the new zone put a lower limit on the number of homes allowed than the former single-family zoning.

The county health department had recommended against development of the property until water and sewer problems can be solved. Supervisors agreed that the solution will have to be made before a subdivision map can be approved.

When the planning commission's list of priorities came up showing the Campbell property as number six on the list for purchase, Supervisor Byron W. Leydecker moved that the zoning matter be brought up again for reconsideration.

This motion died for lack of a second.

The Marin County Board Of Supervisors Also:

1. Authorized $82,000 settlement of a land condemnation against the Parish-Martin parcel for the Coyote Creek Flood Control project in Tamalpais Valley.

2. Set public hearing for 9:30 a.m. June 8 at the Civic Center on the proposal to form a county service area to provide street lighting at Stinson Beach.

3. Reappointed Sherman Smith and Edward Letter to the Bolinas Public Utilities District board after learning that no one had filed petition of candidacy and no election was to be held.

4. Agreed to convey any interest the county might have in the Gallinas Village sewer treatment plant to Las Gallinas Valleys Sanitary District.

5. Approved property purchases from Sherwin U. and Patricia M. Miller for $28,650 and from Emile L. and Victoria May Kemp for $26,000 of land needed for widening Sir Francis Drake Boulevard in Kentfield.

6. Asked for bids at 2 p.m. May 24 at the Civic Center on the Indian Valley Road drainage system west of Novato.

7. Authorized soil tests on the Veterans Memorial Auditorium site by Lee and Praszker, engineers, at a cost not to exceed $6,500.

8. Learned that several letters have been sent the board protesting a plan to locate a county dump in the marshlands southeast of Lucky Drive and Highway 101, west of Corte Madera. Supervisors agreed to delay answering the letters until date of a public hearing is known and the objectors can be informed.

9. Asked the administrator to prepare an analysis of all appointed committees to determine what they have done and what their responsibilities are. The report, to be completed by May 24, is to guide the board in avoiding overlap of committee responsibility.

10. Learned that the Festival of Performing Arts of Marin will not stage a festival this year and the $500 contribution from the county for the group's budget will be returned.

11. Endorsed legislation proposed by State Sen. John F. McCarthy, R-San Rafael, that would provide state subventions for counties providing out-patient care for tuberculosis patients.

12. Entered into a joint powers agreement with the City of Novato for levelling of "Thrill Hill" on McClay Road on the city boundary. County cost will not exceed $5,000.

Quentin Inmates To Stage Play

The San Quentin Drama Workshop, composed entirely of prison inmates, will stage the Max Frisch play "Biedermann and the Firebugs" June 10-12 in the prison dining room.

The performances, which represent three months' preparation by 40 inmates, will be open to prisoners, prison employees and their families.

The prisoners worked on all phases of the production, according to recreation supervisor John N. Apostol, even to the extent of rewriting part of the play.

The play called for two women, so they had to rewrite it a little," he said.

Vandalism At School By Students

Last weekend's vandalism at Vallecito School in Terra Linda was the work of the school's own seventh and eighth grade students, Principal Earl M. Thomason announced yesterday.

Thomason said seven students, aged 12-14, admitted they broke into the school and plastered its walls with swastikas and obscenities in yellow paint.

He said the students, five girls and two boys, "had no apparent reason for this vandalism . . . They're just soured against the world at this time."

The youngsters confessed, he said, after they had been identified anonymously by 150 of their fellow students. Thomason had asked Vallecito students to hand in the names of the guilty students on an unsigned piece of paper if they knew who did it.

The students, who Thomason said will have to pay damages to the school, were suspended for three days and turned over to juvenile authorities.

Beautification Talk On Shoreline Set

Asa Hanamoto, Mill Valley landscape architect, will discuss beautification of Shoreline Highway along the Coyote Creek flood control project at the Tamalpais Valley Improvement Club meeting at 8 p.m. tomorrow at the Methodist Church.

A second proposal to be heard is the formation of a recreational area on Coyote Creek near Peace Lutheran Church, reported director Midge Hamburg.

Supervisors Order Veteran Building Plans

Still No Decision On Capacity, Cost For Auditorium

Preliminary plans for the Veterans Memorial Auditorium at the Marin County Civic Center were approved by the board of supervisors yesterday with several small reservations and one big one.

Still to be decided is whether the building will seat 2,000 and cost about $2,163,200 or seat 3,000 and cost $2,881,700.

Architect Aaron Green told supervisors that detailed planning could get under way and the decision on seating capacity be postponed for six months without causing any problem or increase in fees.

Supervisors, eager to get the project started, accepted this offer. But W. P. Duhamel, county veterans service officer, asked for more time for veterans groups to meet on the plan.

VETERANS DIFFER

The plan was presented to the board April 13. It brought some criticism from veterans then, but other veterans have since endorsed the plan.

Green and the board of supervisors agreed that minor changes could be considered until June 15. Duhamel agreed to this condition.

Action on the auditorium plans came after Green presented a revised master plan of the civic center fairgrounds.

Major changes included designation of the former ampitheater site on the east side of the lagoon as an art museum, with a drive past it connecting the main fair pavilion at the present armory.

FAIR-TIME MALL

Green said that this drive could be converted to a pedestrian mall during the fair to provide a 1,200-foot walk linking the three buildings.

Designation of a children's zoo near the southwest side of the lagoon has been changed to natural history museum, a motor pool service area has been added and a corporation yard at the northwest corner of the civic center property has been changed to a grounds and maintenance building.

Supervisors ordered the revised plan put on display in the Civic Center and referred to committee for study.

School Design Wins Award For Student

Thomas F. Bingham, son of Mr. and Mrs. Edward M. Bingham of 29 Bretano Way, Greenbrae, won $115 in prizes for his two entries in the annual student competition in school design sponsored by the 1965 California Spring Garden Show being held through Sunday at the Oakland Exposition Building in Oakland.

Gary Novak, son of Mr. and Mrs. Erwin J. Novak of 18 Prince Royal Passage, Corte Madera, won a $5 mention prize in the high school design competition. Both are Redwood High School students.

Bingham won the first prize, $100, for his design of a high school. He won an additional $15 honorable mention prize for his model of a high school.

Boy Still Critical

John H. Davis Jr., 16, of 150 Madrone Avenue, Belvedere, was still unconscious and in critical condition at Marin General Hospital today, the sixth day since he suffered head injuries in an auto accident in Tennessee Valley Road.

Novato Asks Study For Civic Center

The Novato City Council last night asked for a cost estimate on a civic center survey from Lauis J. Kroeger of Griffenhagen-Kroeger Inc., municipal consultants of San Francisco.

The estimate is to be given to the council at next Tuesday's meeting.

Three council members then went to the North Marin County Water District board to ask it to delay construction of proposed new district offices, but were turned down.

After nearly two hours of discussion with Kroeger, who was called by City Mgr. J. Julien Baget after William R. Zion said he could not make the study, the council asked for a cost estimate on a study which would include five points.

These are: (1) functions which should be included in the civic center, (2) projected office space requirements in 25 years of the various agencies, (3) a comparison of the proposed sites, (4) methods of financing, and (5) mechanics of operation.

Mayor Robert D. Carrow said the city was in a hurry to get a civic center site selected and financed so that other agencies could start building on it. He pointed out that the water district is going ahead with its plans and Novato Unified School District will need 30,000 square feet of office space in two to three years.

Kroeger said that his firm could make the study in 60 to 75 days.

The new master plan came in for some raps during the discussion.

Councilman William Jack Adams wondered how long and detailed a study it would be when the city had just paid for another one in the master plan, "which we haven't seen yet."

Planning Director Robert Lagle said he would give the council copies of the master plan next Tuesday.

Mayor Carrow and Councilmen Adams and Douglas M. Merill went to the water district board meeting to try to persuade that board to hold up on construction of its office building.

Jerome B. Gilbert, water district manager, said that he had made a quick survey of the Bay Area and not found any water district office in a civic center. He said that Marin Municipal Water District had a chance to go into a civic center once, but turned it down.

"We can operate as a utility more efficiently if we have our offices and corporation yard all together," Gilbert said.

The Novato City Council also approved K. D. N. Corp's grading plan agreement for Kaden Park Units 2 and 3.

Lagunitas Trustees Split, Re-Hire All 16 Teachers

Lagunitas School District trustees voted 4-1 last night to offer contracts for next year to all the district's 16 fulltime teachers

Trustee John Keilty voted against the recommendation by Supt. Marshall McCuniffe that all teachers be re-hired. The vote followed the second closed session within a month on the matter of contract renewals.

McCuniffe was instructed by board president Leslie S. Stone to prepare a brochure explaining the need for a requested 20-cent increase in the general operating tax rate which trustees are asking the district voters to approve on June 8 for a period of two years. The raise from the present $2.65 rate would be used in part to rent three portable classrooms to eliminate double sessions next year.

McCuniffe reported gain of some 30 students over June of last year has already used up the school's only available space, with the multipurpose room now housing a combined fifth and sixth grade.

A "rash of vandalism and theft" at the school during recent weekends has been reported to the sheriff's office, McCuniffe told trustees, with request for increased nightly checks by officers.

Trustees learned that the county schools office services of psychologist, nurse and curriculum adviser to small school districts would not be decreased next year as was previously feared.

Appreciation for service to the school by 54 volunteer teacher aides and 15 library aides was extended in resolutions.

Cadets Had Influenza

HONOLULU (AP) — The Hawaii State Health Department, contradicting its original diagnosis, says the illness among 46 cadets aboard the California Maritime Training Ship Golden Bear was influenza type A. The outbreak at first, when the ship made an emergency stop in Honolulu last March was first classed as viral pneumonia.

Supervisors Change Richardson Bay Plan

Marin County Supervisors yesterday approved an amendment to the Richardson Bay Master Plan permitting a shift to the north of the alignment of Saucelito Canal.

The change was asked by developers to make the alignment coincide with Railroad Avenue, a public, submerged street. This change lowers the cost of acquisition for a dredging assessment district now being formed.

Only protest came from George Kappas, owner of land on both sides of Railroad Avenue.

Attorney Charles W. Pierce, representing Kappas, said the board of supervisors should order the canal alignment moved further north to prevent blocking access to Kappas' submerged lands.

Supervisor Ernest N. Kettenhofen asked if development of a public street as a waterway could be considered condemnation. County Counsel Douglas J. Maloney said the point is subject to argument, but he would say "no."

With that explanation, Kettenhofen joined other board members in the unanimous approval of realignment.

Attorney Leland H. Jordan, speaking for the Marin Conservation League, announced that a drive is underway to collect funds for the purchase of the marina green shown in the master plan.

This would provide public lands to receive dredging spoils when work on the canal is begun. By the end of the day, $500 had been contributed toward the purchase of the land.

Nursery School Signups Taken

Registration for summer sessions at Tamalpais Nursery School in Mill Valley and Belvedere Nursery School in Belvedere are being taken now, according to Mrs. Beverly Bastian, executive director.

Children between the ages of 3 and 5, residing in Southern Marin, are eligible to attend the non-profit school's summer sessions, which will be held Tuesday through Fridays from 9 to 11:45 a.m. July 6 through July 30.

Mill Valley Carpenters Local Officially Joins San Rafael

Mill Valley Carpenters Union Local 1710 officially ceased to exist last night after nearly 62 years of operation.

The Mill Valley local was officially recognized as merged with San Rafael Local 35 by the International Brotherhood of Carpenters.

Both locals had voted in November to merge under the charter of local 35, for economic reasons. The Mill Valley charter had been issued in 1903.

Last night the national union representative picked up the charter of the Mill Valley local and, in that way, symbollically recognized the merger. The San Rafael local charter dates from 1882.

Elections in the now-merged local will be in June.

The National Secretaries Association, in cooperation with the U.S. Department of Commerce, originated Secretaries Week to bring recognition to all secretaries and to inform the public of the secretaries contribution to communities.

Ex-Banker Kidnap Victim Stricken

FORT LAUDERDALE, Fla. (AP) — Edward Bremer, a St. Paul, Minn., bank president who was kidnaped by a gang and returned after a $200,000 payment in 1934, died yesterday after a heart attack. He was 67.

Bremer, son of Adolph Bremer, founder of the Schmidt Brewery, was dead on arrival at Holy Cross Hospital.

His widow, Emily, said the kidnapers were later found and convicted but there was no trace of the money.

Bremer and his wife were winter residents in nearby Pompano Beach.

His body was to be returned to St. Paul for funeral services and burial. Besides his widow, Bremer is survived by a daughter, Mrs. Betty Johnson of St. Paul.

John Irwin is president of the Marin County Local of the California Teachers Federation.

Stock Market Closes At New Record High

NEW YORK (AP) — The stock market closed at new record highs today. Trading was active.

Buying of selected blue chips pushed the list higher despite late profit taking.

Gains of more than 2 were made by Kennecott, Union Carbide and Control Data.

Volume for the day was estimated at 6.4 million shares compared with 5.76 million yesterday.

Here was the picture near the close:

Gains of fractions to 2 or 3 points outnumbered losers among key stocks. Advances running to more than 2 were common among secondary issures.

Du Pont rose 3, Union Carbide and IBM about 2 each. Sears, Roebuck dropped 2 as traders sold on the news of a dividend hike.

Radio Corp., up nearly a point, looked like a repeater as the most active stock.

Steels were very narrowly mixed and motors were irregularly higher, with changes small.

Gains exceeding 2 were made by Johnson & Johnson, Frito-Lay, Pepsi-Cola, Atlantic Refining and Dresser Industries.

Up a point or better were Trans World Airlines, Alcoa, Beckman Instruments, Bell & Howell and Celanese.

Also up more than a point were CTS Corp., Fairchild Camera, Singer, Korvette and Northwest Airlines.

Down about 2 were Sunshine Mining and Grumman.

Losses of a point or more were shown by Pan American Sulphur, Rock Island AMP Inc.

Prices were mixed in heavy trading on the American Stock Exchange.

Corporate bonds were mixed in light trading. U.S. government bonds continued to show strength.

Marin Sales Tax Revenues Up

Sales tax revenues in Marin County took a 10.5 per cent jump in 1964 over the previous year, the State Board of Equalization announced yesterday.

A total of $233,974,000 in taxable sales were made in the county during that year, the board reported. Marin's percentage increase over 1963 was two per cent over the state average increases in sales tax revenue.

San Rafael had a total of $107,197,000 in taxable sales in 1963; Corte Madera, $18,117,000; Mill Valley, $16,424,000; Sausalito, $15,411,000; San Anselmo, $8,797,000; Larkspur, $7,881,000; Fairfax, $5,255,000; Tiburon, $2,162,000, and Ross $370,000.

MANAGER—William G. Morrisey III of Ross has been named marketing and plans manager of the Oakland Tribune. A former account executive with Albert Frank-Guenther Law Advertising Inc. of San Francisco, he is a member of the Ross Valley Players.

Income Increases For Utilities

SAN FRANCISCO (AP) — California - Pacific Utilities reported yesterday net income of $510,802 in the first quarter 1965, compared with $431,472 a year ago.

Share earnings were 50 cents and 43 cents respectively.

For the 12 months ended March 31, net earnings were $1,616,662, equal to $1.60 a share, against $1,271,175, or $1.30 a year previous.

Income Reported

NEW YORK — Panhandle Eastern Pipe Line Co. reported net income for the first quarter of 1965 of $10,162,593 or 70 cents a share after deducting provisions for preferred dividends. For the comparable 1964 quarter net income totaled $9,497,298, or 66 cents a common share.

Baggage Allowance Is Requested

NEW YORK—American Airlines has requested Civil Aeronautics Board approval of a liberalized baggage allowance, with the new system based on the number of bags carried rather than on weight.

In presenting the proposal, American noted that the new system would benefit the traveling public by reducing sharply the number of passengers who are required to pay excess baggage charges.

The airline said that today up to 13 per cent of its passengers pay excess baggage charges. Using the new system, the company estimated, the number paying excess charges would be less than 5 per cent. The new system would also have the advantage of speeding up and simplifying the check-in process, American said.

The current free allowance of 40 pounds of luggage would be replaced by a system that would allow a passenger to carry, without charge, one large bag, one medium sized bag and one or more carry-on bags.

American suggested a similar system in August 1964. At that time, the CAB authorized the airlines to discuss the baggage allowance so that the industry might reach a joint unanimous agreement. No unanimous agreement has been reached.

Foremost To Acquire

SAN FRANCISCO — The boards of directors of Strong Cobb Arner, Inc., and Foremost Dairies, Inc., have announced that they have approved the execution of an agreement for the acquisition by Foremost of the business of Strong Cobb Arner and its subsidiaries for approximately $14 million.

TO PRESERVE OLD OFFICE

The classic Greek structure at the right is the headquarters of the Bank of California at 400 California Street, San Francisco. It was erected in 1908. The century-old bank will build a modern, 21-story tower adjoining it, matching in color and harmonizing in design. Cantilever construction at the fifth floor will utilize some of the airspace above the old building which will be retained. Architects for the project are Ashen and Allen. The building will be put up by Cahill Construction Co.

Passenger Hovercraft Set For Oakland Test Saturday

OAKLAND — The first hovercraft in the United States designed for commercial passenger operation will receive its initial test on Oakland's Lake Merritt from 1:30 to 3 p.m. Saturday.

Bell Aerosystems Co.'s operator Sam Helms will put the amphibious "jet skimmer" through its paces.

The vehicle is scheduled for operation this summer from Oakland International Airport, and downtown San Francisco.

The hovercraft program is a joint venture between the Bell Aerosystems Co. of Buffalo, SFO Helicopter Airlines, Inc., the Port of Oakland and the U.S. Housing and Home Financing agency.

The vehicle will skim into the water at 1:30 p.m. from the vicinity of the Oakland public museum at 14th and Oak streets. Demonstration activities will be located principally from the Harrison Street arm of the lake below the Kaiser center to the 12th Street dam. Public vantage points are accessible from all shores of the 155 acre downtown lake.

The vehicle hovers on a carpet of air while propelled by a single nine-foot diameter propeller. A 100-horsepower General Electric turboshaft engine powers the single lift fan and the driving propeller.

The hovercraft rides at a height of several inches to several feet over the surface of land or water.

OTHER PEOPLE'S BUSINESS

By HARRY CRAFT

Fourth Physicians Optical Due; Richard Tarrant Back In Marin

Expected to open in about two months in the Northgate Medical and Dental Center will be a fourth store of **Physicians Optical Co. Carl Thompson,** manager of the recently opened Kentfield store will probably be in charge. No replacement for him in Kentfield has been announced.

A lease has also been taken in the medical center by **Dr. Harry W. Sawyer,** obstetrician and gynecologist, who will retain his present office in San Francisco.

NOW RETURNED to Marin County and associated with the San Rafael law firm of **Nelson, Boyd, Menary and MacDonald** is **Richard T. Tarrant,** a son of **Mr. and Mrs. Patrick J. Tarrant.**

Since he was admitted to law practice about a year ago, Tarrant has been with the legal division of the California Department of Water Resources in Sacramento. He is a native of Marin and went to school here, receiving his law degree at the University of San Francisco. He and his wife have taken up resident at 1426 Lincoln Avenue, San Rafael.

Llewellyn Carter

AMONG THE REALTY OFFICES. Fox and Carskadon has added two new members to the downtown San Rafael office: **Paul Llewellyn** of Kentfield, formerly with Lindskog Realty—and **Mrs. Newton Longfellow** of San Anselmo, formerly with Reggie Wing Real Estate . . . **Robert W. Minahan** of San Rafael has joined **Dohemann and Co.** as head of the properties and institutions division. He has been 10 years with Crown-Zellerbach Corp. as a regional sales manager. . . . **Bruce O. Carter** of San Rafael, formerly with Fox and Carskadon, has joined the staff of **John M. Grubb, Inc.,** Oakland as manager of the newly formed industrial department.

Haddad Newlin

S. M. (SAM) HADDARD of Lucas Valley has joined **Associated Construction and Engineering Co.** of South San Francisco as vice president, engineering. He was formerly acting manager, engineering, in charge of the San Francisco office of the Western Knapp Engineering division of Arthur G. McKee Co., Oakland.

HUBBARD E. NEWLIN of San Anselmo was an international prizewinner for the second consecutive year in a month-long sales campaign by **American General Life Insurance Co.,** held during the month of March.

CAROL CAPOCCHIONI of Tiburon has joined **Kay Noah Associates** of Belvedere. She was formerly an account executive with Charles von Loewenfeldt, Inc. In her new position she will be handling public relations for Dohemann and Co. and also assist on the Peacock Gap complex.

A **TOP PRIZE** of a five-minute shopping spree by **Pepsi-Cola Bottling Co.** of San Francisco and Marin went to **Mrs. Lou Shee Wong,** owner of **Wing Sing Laundry,** San Rafael.

If you think that isn't much time, be advised that the **Purity Store** in the Montecito Shopping Center was selected as the location for this tour, and early this morning she raced up one aisle and down another for the alloted time grabbing all the groceries she could carry to the check-out counter — with Pepsi-Cola picking up the tab. She did right well for a lady with nine children and 22 grandchildren.

Pepsi - Cola made similar awards in Emeryville and Sunnyvale today. Climax of the promotion comes next month when the winner of the top local prize will be selected—for a 15-minute spree in a food outlet of her own choosing.

SAN FRANCISCO Office and Industry Tour by business men in that city will have its fourth annual behind-the-scenes affair Sunday, May 16 from noon until 5 p.m. It is a benefit for the **San Francisco Senior Center** and is expected to attract more than 5,000 people.

Sears, Roebuck Dividend Up

CHIGACO — Sears, Roebuck and Co. has announced an increase in its regular quarterly dividend the second increase since last November.

The company's directors increased the dividend from 22.5 cents to 25 cents per share. The new rate is payable on July 2 to shareholders of record on May 14.

The new dividend is equal to 50 cents on the outstanding common stock before it was split 2-for-1 in February. Last November the dividend was increased from 40 to 45 cents per share on the old stock.

Foremost Dairies Quarter Has Rise

SAN FRANCISCO—Foremost Dairies, Inc., consolidated net earnings for the first quarter of 1965 were $1,592,000, as compared with $1,385,000 in the corresponding period in 1964, it was reported today at the company's annual meeting in San Francisco.

This is equivalent, after dividends on the preferred shares, to 20 cents per share on the 7,664,679 shares of common stock outstanding in 1965, as compared with 17 cents a share on the 7,776,240 shares outstanding in 1964.

Oldsmobile Sales Hit New Record

LANSING, Mich.—Retail deliveries of Oldsmobiles during the final 10 days of April brought the division's total sales for the first four months of the year to a new all-time record of 20,525 new units.

The division's year-to-date sales now total 207,781, more than 4,000 units ahead of the previous record high set in 1955.

New Division Formed By Fairchild Company

MOUNTAIN VIEW — Formation of a new investigations division has been announced by Richard Hodgson, president of Fairchild Camera and Instrument Corp.

To be headquartered in Clifton, N.J., Fairchild Instrumentation combines the electronic equipment capability of both the semiconductor and the Dumont Laboratories divisions.

D.A. Moves To Block Liston-Clay Championship Bout

BOSTON (AP) — Dist. Atty. Garrett H. Byrne filed a Suffolk Superior Court petition today asking for an injunction to halt the May 25 heavyweight title fight between champion Cassius Clay and challenger Sonny Liston.

Byrne asked the court to block the fight in a petition in which he said that promoter Sam Silverman of Boston was appearing as promoter for a fee of $15,000 plus $5,000 expenses, but that Intercontinental Promotions of Pennsylvania was really promoting the bout without being licensed in Massachusetts.

Judge Felix Forte ordered notices to be served on the promoters and on the two boxers, directing them to appear in court later in the day for a hearing.

Named in the petition with Silverman, Intercontinental and the two boxers were the Boston Garden-Arena Corp., lessee of the Garden where the bout is scheduled, and the Boston & Maine Railroad, owner of the building.

Byrne said in his petition that Intercontinental had conducted all negotiations with the two boxers, the Garden and with various radio and television interests.

Byrne charged that Intercontinental had not filed certain documents required of our state corporations doing business within the state. He added there are no contracts on file with the state boxing commission for the May 25 bout.

He said the only contracts on file were for the Nov. 16 bout which was cancelled when Clay underwent an emergency hernia operation on the eve of that fight.

Byrne told newsmen that under state law Massachusetts should collect about $150,000 from the television and other ancillary contracts, but that there is no way to collect this from an out of state corporation.

Byrne has questioned the boxing commission in recent weeks about legal aspects of the fight.

The commission turned over Byren's inquiries yesterday to Atty. Gen. Edward W. Brooke and told Byrne "any further inquiries relative to the Clay-Liston fight must be referred to the attorney general."

The attorney general's office has shown little if any interest in the fight or any possible legal ramifications.

The commission, which feels it should answer only to the attorney general since it is a state agency, issued what it considered a final statement on the fight:

"The commission hereby states that the Clay-Liston bout is still on and will take place on May 25. The fight was approved by the commission when it was originally scheduled for Nov. 16 (1965). Nothing has occurred since to cause the commission to withdraw its original approval."

Commission chairman Herman Greenberg was in Chicopee to watch Clay work out in a gym crowded with some 300 patrons.

Greenberg said he knew of nothing to prevent the fight from going on as scheduled.

"If there are any violations of technicalities in the state's boxing laws, they will be corrected," he said. "But as far as the commission is concerned, we see no violations. . . "

MARIN TRACK TRIALS SCHEDULED TOMORROW

There will be a lot of running, jumping and throwing on the San Rafael High School field tomorrow and Friday when the Marin Athletic League track and field trials are held.

Tomorrow's schedule calls for varsity field events and Class B and C running events, and Friday's slate will have varsity running and Class B and C field events. Action will begin at 4 p.m. on both days.

Dean Lazzarini, the streaker from Drake High School, will get a chance to go after the county record in the 100-yard dash Friday. He is co-holder of the 9.9 mark, but this year the junior has ripped off a pair of 9.7 times in dual meets.

'Cookie' Does Chore For Franks; Davenport, Kuenn Trade Bait?

CONNOLLY

What's the story behind Giant Manager Herman Franks delegating the job of yanking pitchers to his coach "Cookie" Lavagetto?

It is a new twist in California baseball history but an old throw-back from the days when Joe McCarthy managed the Yankees and Bill Terry bossed the N.Y. Giants. They used those tactics years and years ago.

So says Garry Schumacher, publicity director of the Giants, just back from the war in Dodger stadium.

"Franks," explains Schumacher, "goes out once to the pitcher. It's an automatic removal when he makes the second trip to the mound, so he avoids any delay by shooting out a coach to do the lifting."

Gaylord Perry, Giant pitcher, made no secret of his feelings when he was yanked in a game with the Dodgers last weekend. He tossed his glove in disgust. Had the Giant pilot been out there he would have heard the words used by Perry and it might have stirred up wounds that are hard to heal.

WHO COULD you trade off the Giants?

It may be a debatable item right now, but last winter, the S.F. club could have written its own ticket on Orlando Cepeda. Now they'd be lucky to get any club, National or American, to lend an ear. That, of course, is due to the Baby Bull courting a troublesome knee.

Jimmy Davenport, a real third baseman but playing as utility infielder, could be a regular on 12 out of the 16 major league clubs. He's wanted real bad.

Harvey Kuenn and his big fat salary is desirable only for a club with an even shot at the pennant. He'd be a terrific pickup for the Dodgers who need hitting but probably wouldn't fit into their type of player on account of his lack of speed. Chuck Hiller, Maty Alou, and Cap Peterson are other candidates.

WHAT'S THE matter with Hal Lanier, youthful second sacker who, all of a sudden, develops into a "toe" hitter? By that I mean he is hitting like a ballet dancer. His body isn't in the swing and he pops up. He seems to have changed his style completely.

Perhaps a few batting instructions to correct his plate manners will take place this week. Hank Sauer, who is credited with Lanier's hitting in his freshman year, will be pressed into action. And the first thing "ol" Hank will do is prescribe a bench vacation and allow Hiller or Davenport to take over.

Tam Swimmers Top Santa Rosa

Tamalpais mermen churned past Santa Rosa High yesterday in a practice swim meet, downing the boys from the north 54-41.

Brian Donnan and Steve Donaldson were the strong men for Tam, Donnan taking first in the 100 and 200-yard freestyle, while Donaldson backed him up with a double win in the 200-yard individual medley and the 400-yard breaststroke.

Youth Hurls Perfect Game

Little League followers in Fairfax are still buzzing today about the perfect game thrown by Tommy Feeney last Saturday in leading his DeWitt Realty team to a 11-0 blanking of the Fairfax Hardware team.

Not a boy reached first base against Tommy as he struck out 16 of the 18 batters he faced in the six-inning game. The other two batters grounded out to the infield.

Manager Tony DeMata and Tommy's teammates presented the youngster with the much-deserved game ball.

Starter's Job For Murakami?

By SCOTT BAILLIE

SAN FRANCISCO (UPI) — The San Francisco Giants, who were desperate for left-handed pitchers, had two new ones on the payroll today in the persons of veteran Bill Henry and youthful Masanori Murakami.

Henry came to the Giants yesterday afternoon from Cincinnati in exchange for right-hander Jim Duffalo.

Then, several hours later, Murakami arrived from Japan via Pan American airways to end a dispute between the Giants and the Nankai Hawks, who had wrangled for his services.

There was immediate speculation that the Japanese southpaw, the first of his nation to pitch in the American major leagues, might become a starter.

"That could happen now that we also have an experienced relief pitcher in Henry," a Giants spokesman said.

Murakami planned to work out today at Candlestick Park while awaiting the return of the Giants from a road trip which ends tonight in St. Louis. They are idle tomorrow, then open a three-game series here Friday night with Los Angeles.

"I'm very happy ho be back with the Giants and will do my best to help them," Murakami said at the airport yesterday through an interpreter. "First, though, I need four or five days to work out."

His delay in joining the club was caused by a squabble between the Giants and Nankai. The Giants, who signed him to a 1965 contract last January, claimed that they had purchased him from Nankai last year for $10,000.

ONLY A BONUS

But the Hawks maintained that the figure only was a bonus for the use of Murakami's services and that he legally still was their property.

As a result, he sat out the opening portions of the season while the dispute raged. It finally was resolved on April 26 after the Giants agreed that Murakami could play anywhere he wanted in 1966 and thereafter provided he honored his 1965 pact to hurl for them.

"I didn't anticipate any trouble when I came back to Japan last fall," Murakami said yesterday at the airport. "But after the misunderstanding developed, I realized that I did not want to antagonize any Japanese people whom I might be playing in front of again some day."

Murakami, whose activity this year has been restricted to pitching batting practice in Japan, posted a 1-0 mark last year in the 15 innings he worked as a Giants relief hurler. His earned run average was 1.80.

Before coming to the Giants he had an 11-7 mark for their Fresno farm team in the Class A California League.

Drake Upsets Terra Linda; Marin League All Tied Up

Drake third baseman Don Humphrey smashed a triple and single, knocked in four runs and scored one himself as the Pirates upset the Terra Linda Trojans 5-2 yesterday in San Anselmo.

It was the first Marin Athletic League loss for the Trojans and sent the loop into a deadlock with Redwood and Terra Linda tied for the top spot with 5-win, 1-loss records.

Drake pitcher Bob Tobin went the distance to receive the win, hurling a three-hitter. Terra Linda starter Ed Beckley suffered his first league loss of the year as the Pirates bombed him for four runs in the opening inning, taking advantage of his wildness.

Beckley walked Drake's first three batters in the bottom of the first frame — Mike Miller, Will Curley and Tony Glodnis. Then he grooved one to Humphrey and the junior cleanup batter did just that, emptying the sacks with a three-run triple. Humphrey scored when Russ Damos grounded out to the infield.

In the Pirates' half of the fifth, Glodnis opened the inning with a triple, his second hit of the day. Humphrey knocked in his fourth run of the day with a sacrifice fly and the Pirates had a 5-0 lead.

Terra Linda got to Tobin for a pair of runs in the top of the sixth inning but that's all he would allow.

Home Runs Fly In 9-2 Victory

ST. LOUIS (AP)—With visions of birthdays and a trebled southpaw pitching staff, the San Francisco Giants put their one-game winning streak on the line tonight against the St. Louis Cardinals.

One of those birthdays belongs to Masanori Murakami, the relief hurler from Japan who throws and signs contracts with his left hand. He'll be 21 tomorrow. Willie Mays will be 34.

Murakami arrived in San Francisco yesterday, two hours before the Giants gave Juan Marichal four quick runs at Busch Stadium. San Francisco went on to defeat the Cards 9-2.

Earlier in the day, the Giants traded 29-year-old right - hander Jim Duffalo to Cincinnati for 37-year-old left-handed reliever Bill Henry.

Both southpaws will join the squad Friday in Candlestick Park at the start of a three - game series with Los Angeles. This will deprive Bob Hendley of the title, The Lone Southpaw.

Henry worked a few innings in the bullpen Tuesday and took off after the game to see his family at Houston, Tex. The short-relief specialist said the trade was not too suprising to him since the Reds had five southpaws and needed right - handed relief help.

Gaylord Perry was scheduled to oppose the Cards' Tracy Stallard tonight in the concluding game of the three-game set.

Marichal, only Giant pitcher to go the distance in the 20 games they've played, did it for the fifth time with a six-hitter for his fourth victory as against two defeats.

Before Cardinal starter Ray Sadecki could get one man out, he had lost his third game without a victory.

Harvey Kuenn led off the game with a walk and Jesus Alou hit the first pitch he saw for his first home run of 1965 and first of three hits in five trips.

Willie McCovey followed with a single and Willie Mays then clipped his seventh home run into the right-center field seats. After one out, Sadecki walked Jim Davenport, bringing in reliever Ron Taylor.

In the third, Alou singled and went to second on an error by left-fielder Lou Brock. McCovey singled him home and then tallied in front of Jim Ray Hart's second homer.

The Giants added two runs in the sixth off Bob Purkey. The first came on three successive singles by Davenport, Hal Lanier and Tom Haller. Marichal's grounder plated Lanier when the ball rolled through third-baseman Ken Boyer for an error.

Boyer's second homer of the year in the second inning accounted for the Cards' only earned run. The other tally came in the third. With Brock on first, McCovey allowed Dick Groat's grounder to go through him and J. Alou threw wildly to third, getting Brock home.

LONGSHOT WINS SAN RAFAEL DAY RACE

Golden Gate Fields at Albany named its seventh race "The San Rafael Day" yesterday and on hand to greet the winner was San Rafael Chamber of Commerce president Bob Ritter, with his wife, Ruth. This happy group in the winner's circle are, from left, Mr. and Mrs. Franklyn Downton, owner of the horse Kyreen that won and paid handsomely at $39.60, $8.80 and $3.60; Mr. and Mrs. Ritter; trainer A. M. Peart and jockey Charles Tohill. La Quinta King was second and Trops Bob third in the seven-horse field. Kyreen covered the six furlongs in 1:10 1/5.

Foyt Top Speeder At Indy

INDIANAPOLIS (AP) — Eleven cars practiced on the Indianapolis Motor Speedway yesterday with A. J. Foyt, the two-time 500-mile race champion from Houeton, Tex., reeling off the top speed of the day.

Just five minutes before the track closed for the day, Foyt turned a lap clocked on the electric eye in 155.01 miles per hour in his Ford-powered Lotus.

Other fast times were turned in by Lloyd Ruby of Wichita Falls, Tex.; Scotland's Jimmy Clark and Len Sutton of Portland, Ore., in the start of warmups toward the May 31 race.

Until Foyt's late run, Ruby had been the day's fastest traveler with a lap at 154.98 m.p.h. and was running near the same speed later when his engine suddenly quit.

BURNED PISTON

Clark ran a top lap of 152.5 m.p.h. early in the afternoon, but when he took his Lotus back on the track for some more practicing it burned a piston — meaning replacement of the engine.

In another late run, Sutton hit his high speed of the year, 154.24 m.p.h.

Mickey Rupp of Mansfield, Ohio, the first rookie to start his driver's test, passed the final, 145 m.p.h. phase of his examination, hitting 148.02 on his fastest lap.

Two other rookies passed the 135 and 140 m.p.h. phases of their tests — George Snider of Fresno, Calif., and Carl Williams of Kansas City, Mo. Gordon Johncock, Hastings, Mich., completed the 135 m.p.h. phase.

RICH GET RICHER AS ALCINDOR PICKS UCLA

Independent-Journal Sports
22 May 5, 1965

By JIM HACKLEMAN

NEW YORK (AP) — The rich get richer. So UCLA gets Lew Alcindor.

The 7-foot-1 New Yorker, most coveted schoolboy basketball star in recent years, disclosed yesterday that he will enter UCLA this September. Johnny Wooden's Uclans currently rule the college basketball world with two straight national titles.

Alcindor, kept out-of-bounds to college coaches, scouts, alumni and newsmen the past four years by his coach at Power Memorial High School, Jack Donohue, made his announcement at a press conference at the school's gym.

"This fall I will be attending UCLA," the articulate teen-ager told some three dozen newspaper, radio and television men.

"I chose UCLA because of its atmosphere, the people out there and because it has a curriculum I want."

Through it all stood a disappointed Donohue, named coach at Holy Cross last month and hopeful of taking his prized protege along with him.

"I knew he liked UCLA, but I was hoping right up to now," Donohue said. Under the personable young coach, Alcindor became the most famed high school basketball player in New York's history and set city records with 2,067 points and 2,002 rebounds.

Scores of colleges wanted the boy, an excellent student, but several weeks ago the word went out that he was interested only in five — UCLA, Michigan, Boston College, St. John's of New York and New York University.

Alcindor visited these five, then took a trip to Holy Cross.

"Holy Cross came too late," he said. "And when I took the trip up there, I found it wasn't what I wanted."

On the subject of UCLA, the 17-year-old giant said:

"It has a very good coach. And besides its basketball, I like Los Angeles and the curriculum at UCLA. I'll take liberal arts, but I haven't decided on a major. I'm interested in writing and music."

National Basketball Association people have had their eye on Alcindor for some time, but he obviously has given that little thought.

"The pros? That's too far ahead to think about."

Braves Very Lonely In Milwaukee; Yogi Stars For Mets; Dodgers Win

By DICK COUCH
Associated Press Sports Writer

Hank Aaron and Eddie Mathews, Milwaukee's record-setting home run twins, are baseball's loneliest long-distance hitters.

Aaron and Mathews, who have combined for the most homers by two teammates in National League history, added three more last night as the Atlanta-bound Braves whipped Houston 9-3 before 913 paying customers — smallest turnout in the club's 13-year Milwaukee tenure.

While the attendance figure dipped below 1,000 for the first time ever at County Stadium, Aaron, with two homers, and Mathews, with one, boosted their record total as teammates to 749, four more than Gil Hodges and Duke Snider hit while playing together for the Brooklyn-Los Angeles Dodgers.

The Mathews-Aaron run began when Hank joined the club in 1954, one year after Eddie had whacked 47 homers in his first full season. The major league mark belongs to Yankee greats Babe Ruth and Lou Gehrig, who teamed up for 870 circuits from 1923 through 1934.

Yogi Berra, starting his first National League game, singled twice and scored the deciding run in the New York Mets' 2-1 victory over Philadelphia. San Francisco ripped St. Louis 9-2 behind two-run homers by Jesus Alou, Willie Mays and Jim Hart.

Willie Davis' tie-breaking ninth-inning single paced the Los Angeles Dodgers to an 8-6 victory over Cincinnati and Pittsburgh slugged the Chicago Cubs 6-3 as Willie Stargell and Jerry Lynch each homered twice.

AMERICAN LEAGUE

The Los Angeles Angels beat Boston 7-1, the New York Yankees downed Cleveland 5-3, Washington outlasted Kansas City 4-2, Minnesota whipped Baltimore 7-3 and Chicago punished Detroit 10-6 in American League games.

Aaron's third and fourth 1965 homers and Mathews' sixth complemented the five-hit pitching of Tony Cloninger at Milwaukee. Cloninger didn't allow a hit until Joe Morgan doubled with one out in the sixth inning and the Braves in front 7-0.

The two homers gave Aaron 370 for his career, tying Hodges for 12th position on the all-time list. Mathews, with 451, is ninth.

Berra, signed by the Mets as a coach after being fired as manager of the Yankees last fall, played a full game for the first time since he was activated last week. He scored the Mets' second run on Roy McMillan's seventh-inning single and handled left-hander Al Jackson, who scattered eight hits and set a club strikeout mark of 11.

Willie Davis' third hit of the game, off Cincinnati reliever Bill McCool in the ninth, followed successive walks to Maury Wills and Wes Parker by starter Joey Jay and gave the Dodgers a 7-6 lead. John Roseboro's sacrifice fly delivered an insurance run. Jim Lefebvre's eighth-inning homer had pulled L.A. even.

Stargell's second homer, a three-run shot in the ninth, decided the Pirates-Cubs afternoon game. Lynch homered in the second inning and he and Stargell hit consecutive circuits in the sixth for a 3-2 Pittsburgh margin. The Cubs tied in the eighth on Ron Santo's run-scoring single.

Sailing Lectures To Be Offered In Sausalito

"What Makes a Sailboat Do What It Does?" is the title of a daytime series of lectures for women sailors by Jeanne Nooney of Mill Valley.

The series of six one-hour lectures given on the Sausalito waterfront will be held on Thursday mornings at 10 o'clock starting May 13. Persons should contact Mrs. Nooney of 77 Molino Avenue, Mill Valley for further information.

Also a series on Monday evenings, starting at 7:30 on May 10, consisting of three two-hour talks, will be held in Sausalito. It will be the same topic, with husbands invited to join their wives.

Ice Follies Buys Half Of Seals

SAN FRANCISCO (AP)—The owners of the Ice Follies bought 50 per cent of the San Francisco Seals of the Western Hockey League yesterday.

Shasta Corp. operates the ice skating entertainment show from its San Francisco headquarters, sending the Ice Follies throughout the United Stes and Canada.

George C. Fleherty, Shasta president, and Mel Swig, president of the Seals, said Swig would remain in his present position as will Bud Poile, coach and general manager.

"We are sure that this can only mean our qualifications for major league status with the National Hockey League are greatly improved," said Swig, who heads a group that owns the other half of the club.

Redwood Giants Lose Game But Gain Ground

Redwood High School's baseball team dropped one yesterday, but it gained more than it lost.

The Giants of Larkspur lost a close one to the San Francisco State College frosh 3-2 on the winners' diamond but it was a practice game. While that was going on, Drake was beating Terra Linda 5-2 in Marin Athletic League action, giving Redwood a tie for first place with Terra Linda, both teams sporting 5-1 league marks.

Leading the Redwood batters was Steve Mattos with a double and triple and one run batted in.

Cal Tennis Draws Top U.S. Aces

STANFORD (AP) — Defending champion Arthur Ashe probably will find himself seeded no better than No. 3 for the California State tennis tournament this month.

Ashe, the UCLA star, is ranked No. 3 in the United States and both Dennis Ralston and Chuck McKinley, the men ranked ahead of him, have entered the California tournament to be held May 17-23 at the Alpine Tennis Club in Portola Valley.

Ralston of Bakersfield, and McKinley of New York, also are rated the world's top doubles players and will team again this tournament.

Sponsors of the event say that never before have the nation's top three men's singles players competed in a California State tournament.

Among other outstanding men entered are Ian Crookenden, a member of New Zealand's Davis Cup team, Charlie Pasarell, ranked No. 12 in the United States and Tom Edlefsen, the No. 13 player.

Billie Jean Moffitt of Long Beach, ranked No. 2, heads the list for women's competition. Behind her come such gals as Kathy Harter, Rosemary Casals and Dorothy Bundy Cheney.

Tar Golfers Close Gap

College of Marin's golf team crept closer to front-running Napa College Monday and yesterday in Golden Valley Conference action.

Marin picked up a point Monday at the Weed Golf Club where Siskiyous was host, and picked up another one yesterday at Riverview Country Club in Redding, where Shasta College was host.

Going into the final round match next Tuesday at Sonoma Country Club, Napa is leading with 1,278 points, but Marin is only 8 points back at 1,270. In third place with an outside chance of overtaking the leaders is Sierra College with 1,252 points.

Marin's Barry Hachmyer has an 11-point lead for individual medalist honors in the GVC. He shot a 72 (four over par) at Weed and an even par 71 at Redding.

Terra Linda, Tam Golfers Win Matches

Terra Linda's golf team whipped San Rafael 4½ to 1½ yesterday at Marin Country Club and Tamalpais downed Drake 4 to 2 at the Mill Valley Municipal course in Marin Athletic League play.

IT'S A RECORD DIVE

Gregg Elberg of Drake shows the diving form he displayed at the Marin Atheltic League championships last Saturday. It was form like this that made the judges award him a record of 291.70 points. He will be among the Marin stars competing in the North Coast Division III swimming and diving championship next Saturday in the Tamalpais High School pool in Mill Valley. Boccabella Batting At A .244 Clip

John Boccabella of San Anselmo, first baseman for Fort Worth in the Class AA Texas League, is batting at a .244 clip according to latest word from Player Periscope of Novato.

In his first 45 at bats, Boccabella has collected 11 hits, including three homers and a double. He has knocked in 12 runs and has scored four times himself.

Gerry Ard of Fairfax, shortstop for Cocoa, Florida State League farm club for the Houston Astros, has batted only six times this season and so far is hitless.

First Player Periscope report on Steve Miller of San Anselmo, pitcher for the Cocoa team, has him listed with 13 innings pitched and a 1-0 record. He has allowed 12 walks, struck out 12, and has an earned run average of 0.69.

Worldwide Boxing Tourney Starts At Hamilton Field

Some 1,500 boxing fans are expected to jam the Hamilton Air Force Base for three nights of top-flight boxing starting today when the 1965 Worldwide Interservice Boxing championships get underway.

Hamilton Air Force Base is hosting the interservice bouts—between members of the Air Force, Army, Navy and Marine Corps—for the first time since 1961, the last time the Air Force took the team title. Last year the Marines won it on their home grounds, Camp Lejeune, N.C.

Tonight's card will start at 8 p.m., under the direction of Senior Master Sgt. Bill Ross of HAFB. Referees are Julius Menendez of San Jose State College, and Len Beattie of San Francisco State.

At the judges table will be three well-known boxing men: Grover Klemmer and Lee Eisan of San Francisco City College, and Dr. Dale Wren of University of California (Hayward).

This year's Air Force is a well-balanced aggregation of veterans and novices. Willie Ellis, 1965 Air Force light heavyweight champ, was replaced by 21-year-old James Alford, a Chicago native. Alford is normally a heavyweight, in which classification he won the Tactical Air Command title this year and the 1964 Arizona state crown. He has a record of 124 wins and 17 losses.

Two more heavyweight contenders representing the Blue and Silver are three-time Air Force champ Ron Pettus and 1964 Vermont Golden Gloves titlist, Tom Quick.

Another light heavy is John E. Crowder, 1965 Pacific Air Forces champion. Hamilton's own Martino Berzewski will be aiming for his first interservice middleweight crown. He was Air Force champ this year and in 1963.

Middleweights Formus White and Louis Grant, both of the United States Air Forces in Europe, are aiming for crowns.

Hugh Criswell, 1965 Air Force light middleweight champion, has a terrific record in his first competitive year in service. He has scored seven knockout wins in as many fights.

Larry Mitchell, 1965 Air Force bantamweight king, looks to be in prime shape to hit the finals. Another Mitchell, Sherman, is reigning Air Force champ in the light welter ranks but may fight as a welterweight. He hails from Washington, D.C., and represents Howard AFB, Canal Zone.

The Hamilton tournament is open to the public and admission is free.

Youngster Wins 5 Events At Track And Field Meet

Santa Venetia won the junior high division, Coleman won the Elementary I, and Santa Margarita won Elementary II at the San Rafael Recreation Department's track and field meet last Saturday.

Among the top performances was one by Craig Hecht, sixth grader from Glenwood who scored all of his team's points by winning five events, 25, 50 and 60-yard dashes and both the standing and running broad jump.

Other first place winners in the meet for both boys and girls were Dave Bariski, Don Lee, Paul Pensabene, Lee Carpenter, Jorgine Allan, Dori Whiteworth, Pat Ullner, Gary Kabanuck, Dave Page, Jim Lowell, C. Parmelle, G. Tappero, Maria Bello, Deborah Drake, Joan Hubert, Steve Elias, Sharon Tringali, Karen Fedorchak, Diane Grime, Lisa Hoyt, B. Silva, L. Ragan, John Coste, Scott Keane, B. Duff, Karen Ragan, Tina Fedorchak, and Amy Hoyt.

St. Raphael's Wins Dual Meet

St. Raphael's Parish defeated St. Rita's of Fairfax in a dual track and field meet Sunday, 122 to 68, on the San Rafael High School track.

St. Raphael's winners included Ken Andrews, Dan Meredith, Glen Rupiper, Tim Stone, Dan Mahoney and John Sims. Winning for St. Rita's were Tim Burke and Tim Hanrahan.

Events in the Catholic Youth Organization meet included the high jump, broad jump, 50, 75 and 100-yard dashes and relays. Next Sunday St. Raphael's goes against St. Vincent's and St. Rita's opposes St. Anselm's.

College Grid TV Slate Will Start On Sept. 11

NEW YORK (AP) — The 14-date schedule of televised college football games will open Saturday, Sept. 11, in the new Houston Astrodome Stadium with a contest between the University of Tulsa and Houston.

The schedule, which includes five dates on which regional games will be aired, was announced by the National Broadcasting Co.

Six of the Top 10 teams in The Associated Press 1964 football poll will be seen in action on the national network. These include Arkansas, No. 2; Notre Dame, No. 3; Texas, No. 5; Nebraska, No. 6; Ohio State, No. 9, and Southern California, No. 10.

The other four — Alabama, No. 1; Michigan, No. 4; Louisiana State, No. 7, and Oregon State, No. 8 — will be seen on the regional shows.

One of the features will be the Army-Navy classic at Philadelphia Nov. 27.

The program consists of 13 Saturday dates continuing through Dec. 4, plus Thanksgiving Day. Regional dates are Sept. 18, Oct. 30, Nov. 6, Nov. 13 and Nov. 20.

The schedule:

Sept. 11 — Houston-Tulsa, Houston, Tex.

Sept. 18 — California-Notre Dame Berkeley, Calif.; Georgia-Alabama, Athens, Ga.; Indiana-Kansas State, Bloomington, Ind.

A POPCORN CAROUSEL with candy stick poles holding bright colored paper horses will delight the younger set as a party centerpiece or a surprise. The carousel has a colored paper top and can be made in a jiffy.

Popcorn Carousel Delights Children

Whether its the circus, a sideshow, or a carnival, each holds equal fascination for the younger set. And one of the greatest attractions is the merry-go-round. As a birthday party surprise, how about a popcorn carousel with candy stick poles holding bright colored paper horses. Top the carousel with a colored paper top. It can all be done in a jiffy as the popcorn base is made with corn, ready for poping in its own foil frypan The popped corn is mixed with a cooked syrup and shaped into a ring.

WHILE THE CAROUSEL will make a fascinating centerpiece, it can also be the special prize for the afternoon. How excited a child would be to take home the carousel as his reward for pinning the tail on the donkey or hopping the fastest on one foot. This popcorn carousel is as good to eat as it is intriguing to look at, so do let it do double duty at your child's next birthday party.

PARTY CAROUSEL

- 1 pkg. Ready-To-Pop Corn
- 2 cups sugar
- ⅔ cup light corn syrup
- 1 cup water
- 8 marshmallows
- 1 teaspoon vanilla
- 6 hard candy sticks

POP CORN according to package directions. Grease a 5 quart kettle or large bowl. Put popped corn in it. Put sugar, water, corn syrup in saucepan and cook, stirring constantly, until sugar is completely dissolved. Then cook over medium heat, uncovered and without stirring, until candy thermometer registers 270° F. Meanwhile, cut marshmallows into pieces. Draw a 12" circle on a piece of aluminum foil. When syrup mixture reaches temperature, remove from heat and add marshmallows and vanilla. Stir to mix in melted marshmallows. Pour over popped corn and mix well. Drop onto aluminum foil. With well greased hands, shape into 12" circle. Make small holes about 2" apart in popcorn circle and place candy sticks into holes. Push popped corn around base of stick to hold in place.

To Make Top Of Carousel: Use heavy construction paper, and cut a 12" circle. Fold in half and then from side to side in an accordian fold. Unfold and rest on top of candy sticks.

To Make Horses: Make a cardboard pattern of circus horse. Cut horses out of heavy construction paper. Paste onto candy sticks.

Baby Foods Good In Dessert

Consider the wide variety of flavorful strained and junior baby fruits and the smooth textured puddings when you are in the mood for:

A delicate dessert
A satisfying dessert low in calories
A quick dessert

HOWEVER, the open-minded jar and package opener can come up with an endless number of different and delicious desserts when she calls on versatile baby foods. They come in handy 4½ oz. and 8 oz. size jars.

Starting with the quick desserts, spoon any of the fruits over a serving of plain yogurt, or, if you are not worrying about calories, over ice cream. Or, use some of the smooth and flavorable puddings as the sauce. Try new deep pink Cherry Vanilla Pudding over ice cream. It makes it look and taste twice as good.

For tempting color and flavor accents, spoon any of the fruits into a parfait glass with layers of tapioca or rice pudding or ice cream and layers of the puddings made for baby. The puddings include a choice of Chocolate, Vanilla, Banana and Orange in addition to the new Cherry Vanilla. The small size jars make it easy to add interesting accents to desserts without wastful leftovers.

Squares of plain cake are also made festive with a topping of the smooth puddings and fruits. For an extra special topping, whip a few spoonful of fruit with an egg white and dash of sugar.

TOP A DISH of one of the fruits with a few slices of banana, or add sparkling cubes of flavored gelatin to one of the fruits for a colorful dessert.

Use a few spoonsful of vanilla pudding as a sauce over some strained prunes with tapioca. Or, reverse the picture and dress up baby's banana pudding with some colorful plums with tapioca.

For those who would rather start off mixing to order, here are a few tested recipes:

PRUNE SHERBERT

- 2 cups buttermilk
- ¾ cup light corn syrup
- ¼ cup sugar
- 1 jar Junior Prunes with Tapioca
- ¼ cup lemon juice

Combine all ingredients; stir until sugar dissolves. Pour into ice cube tray. Freeze to firm mush. Remove to bowl, beat well with rotary egg beater and return to tray; freeze firm. Makes 6 servings.

PRUNE SHAKE

- 2 cups buttermilk
- 1 jar Junior Prunes with Tapioca
- 1 tablespoon sugar

Combine all ingredients; beat with electric or rotary beater until frothy. Makes 3 servings.

King-Style Chicken A Tasty Dish

KING-STYLE CHICKEN

- ⅓ cup butter or margarine
- ½ pound mushrooms, sliced
- ¼ cup cornstarch
- 1 teaspoon salt
- ¼ teaspoon white pepper
- ¼ teaspoon dry mustard
- 2 chicken bouillon cubes dissolved in 1½ cups boiling water
- 1 cup light cream
- 2 cups diced cooked chicken
- ½ cup diced pimiento
- 2 tablespoons dry sherry
- ½ teaspoon Worcestershire sauce

In a saucepan over low heat, melt the butter. Add mushrooms; cook, stirring a few times, until wilted- about 5 minutes. Stir in cornstarch, salt, pepper and mustard; remove from heat. Gradually stir in the bouillon and cream, keeping smooth. Over moderate heat, cook and stir constantly until mixture thickens and comes to a boil; boil 1 minute. Add chicken, pimiento, sherry and Worcestershire; reheat. Makes 6 servings.

33RD YEAR
Baby Week Is Observed

The 33rd anniversary of Baby Week is being observed this week.

The week is set aside by the makers of baby foods and other baby products to focus attention on all the good things available for babies.

Many industries devoted to baby needs and services have been born since the first Baby Week in 1932 and several have flourished to become national and international in scope.

Creamy Potato And Egg Salad Sprinkled With Minced Dill

The new potato may be used in a delightful, simple way—doused with butter and sprinkled with minced fresh dill. Prepared this way, the potatoes benefit meat, poultry and fish.

New potatoes are also great for a salad because they hold their shape. If you try the recipe that follows, you'll find it is perfect to serve with ham or smoked tongue.

One reminder; cook new potatoes in their jackets.

CREAMY POTATO AND EGG SALAD

- 4 cups cooked diced new potatoes
- 1 cup diced celery
- ¼ cup minced parsley
- 2 tablespoons minced onion
- 4 hard-cooked eggs, diced
- Sweet-sour Dressing
- ½ cup commercial sour cream
- Extra salt and pepper

In a mixing bowl, toss together the potatoes, celery, parsley, onion and eggs. Add the hot Sweet-sour dressing; mix lightly but well; lightly mix in the sour cream. Cover tightly and refrigerate overnight to allow flavors to blend and mellow. Add extra salt and pepper to taste. Serve on salad greens. Makes 8 to 10 servings.

SWEET-SOUR DRESSING

- ¼ cup sugar
- 2 teaspoons salt
- ¼ teaspoon white pepper
- ¼ teaspoon ginger
- 1 teaspoon dry mustard
- 2 tablespoons butter or margarine
- 1 tablespoon flour
- ½ cup boiling water
- ½ cup cider vinegar
- 1 egg yolk, slightly beaten

In small bowl, stir together the sugar, salt, pepper, ginger and mustard. In a 1-quart saucepan, over low heat, melt the butter; stir in the flour and the mixed seasonings. Gradually stir in the boiling water; cook and stir constantly until boiling and smooth. Remove from heat. Gradually stir in the vinegar. With a small wisk or fork, gradually beat a little of the hot dressing into the egg yolk; beat back into the remaining hot dressing; cook and stir over very low heat for a minute or so. Pour hot dressing over potato mixture as directed in the recipe for Creamy Potato and Egg Salad. Makes about 1⅓ cups dressing.

Try This Lamb Stew Recipe That Has German Character

Beer is not only refreshing served with a variety of dishes, but as an ingredient it adds subtle tangy flavor to recipes.

Beer is an important requisite in several classic dishes from Europe. The Belgian pot roast, Carbonnades a la Flamande, prepared with dried apricots and prunes, probably is the most famous. The Danes are fond of Ollebrod, beer soup.

Germans enjoy beer and wine with their meals. The hausfrau combines beer, wine and elderberries for suppen (soup) with delectable results.

Lamb Stew with Beer is not strictly German in character but served with pumpernickel, sauerkraut with caraway and washed down with beer, it makes for a dinner with a German flavor. Canned tomato sauce in the stew masks the beer's slightly bitter quality.

When using beer in recipes, open the can or bottle before starting preparations so the foam will subside for easier measuring and mixing.

LAMB STEW WITH BEER
(6 servings)

- ½ cup flour
- 1 teaspoon salt
- ½ teaspoon seasoned salt
- ½ teaspoon pepper
- 2½ to 3 lbs. boneless lamb, cut into 2-inch cubes
- ¼ cup pure vegetable oil
- 1 bay leaf
- 1 (8 oz.) can tomato sauce
- 1 (11 oz.) can beer
- 12 small white onions
- 6 carrots, peeled and halved
- 6 potatoes, peeled and halved

Combine flour with salt, seasoned salt, and pepper; roll lamb in mixture. In large skillet or dutch oven, brown lamb in oil. Add bay leaf, tomato sauce and beer. Cover and simmer 1-½ hours. Add onions, carrots, and potatoes. Cover and cook an additional 30 minutes or until vegetables are done.

GERMAN STYLE—Lamb stew with beer is served with sauerkraut, pumpernickel and steins of beer for dinner with a German character. Canned tomato sauce and beer are the liquid ingredients.

A TREE FOR EVERY YEAR

To celebrate the 50th anniversary of Kiwanis International, each Kiwanis Club in the country is planting 50 trees this year to help spruce up their local communities. As part of their tree planting program, members of the Ross Valley Kiwanis Club presented six Liquidamber trees to the City of San Anselmo. Participating in the planting ceremony along Sir Francis Drake Boulevard are (from left) City Councilman Arthur W. Smith; Robert Levin, Kiwanis Club; Douglas Flautt, city administrator; George Bogel, Kiwanis Club. Standing in back are Planning Commissioner Robert Leitzell and Marvin J. New Penalty Trial Is Granted Slayer

SAN FRANCISCO (UPI)—Booker T. Hillery Jr., sentenced to death for the slaying of a 15-year-old Hanford high school girl, was granted a new penalty trial Monday by a 4-2 vote of the California Supreme Court.

He is an inmate of San Quentin prison's death row.

The trial was ordered under the Morse rule because prejudicial remarks were made to the jury. The panel was told that if Hillery was given a life sentence, he might be paroled after serving only seven years.

However, the court upheld Hiller's conviction and rejected a plea that he was entitled to a new trial on the issue of guilt beacuse of the controversial Dorado decision.

The high tribunal held that Hillery made statements to police before he was told of his rights, but that the statements were not incriminatory. New guilt trials will be granted only in cases involving confessions which are incriminating, the court said.

Hillery, 32, a ranch hand, was convicted of fatally stabbing Marlene Miller after invading her home the night of March 21, 1962. Her body was found the next day in an irrigation ditch with her hands trussed behind her.

Student Running For Presidency

Donald Dixon, son of Mr. and Mrs. Earl W. Dixon of 1135 Mission Avenue, San Rafael, is one of two Sonoma State College students running for presidency of the student body in all-campus elections ending tomorrow.

President of the college junior class, he is also a member of the campus Model United Nations Club.

New High School Position Planned For Redwood

A new administrative position will be created at Redwood High School next year when Denis Ragan, head of school finance, will become chairman of student activities.

Ragan's official title will be administrative intern. His job will be offering assistance to student body leaders and class officers.

One portion of Redwood's student store will be partitioned to provide a separate office for Ragan and the student leaders themselves.

The president and vice-president of the student body will have desks of their own and both are required to serve "office hours" at least once each week.

Youth Joins Navy

Rodger W. Yeakey, 17, son of Mrs. Luana L. Yeakey of 865 Las Gallinas Avenue, San Rafael, has enlisted in the Navy and will receive his basic training in Great Lakes, Ill., during the next 10 weeks.

County Acts To Get Juvenile Hall Fees

Marin County supervisors yesterday authorized court action to recover fees due from parents or guardians of youths lodged in juvenile hall.

Previous attempts at collection have failed according to County Auditor-Controller Michael Mitchell.

Actions were authorized against:

Mr. and Mrs. Donald Tauer of Mill Valley, owing $1,996; Harry Taylor of Redwood City, $1,640; Kenneth Thorne of Bay City, Mich., $231; Mr. and Mrs. Carl P. Umland of Long Beach, $316; Mr. and Mrs. Edward Wade of San Rafael, $464; Mrs. Mary Murray of Daly City, $1,000; Mrs. Jessie Wilson of Cotati, $295; John E. Neighbors of Novato and Mrs. Donna R. Neighbors of San Francisco, $123; and H. F. Pankake of Huntington Park, Los Angeles County, $1,883.

Completes Training

Navy Seaman Apprentice James N. Kard, son of Mr. and Mrs. Gus Kard of 55 Billou Street, San Rafael, has completed his basic training and is on leave before reporting aboard the guided missile cruiser Oklahoma City for duty.

Mayors To Meet On ABAG Member

Mayors of Marin's 11 cities will meet May 11 at 12:15 p.m. at the Edgewater Inn in Corte Madera to name a new representative to the executive committee of the Assn. of Bay Area Governments.

The appointee will take the place of former San Rafael Mayor John F. McInnis. The meeting was called by Tiburon Mayor Gordon W. Strawbridge, chairman of the Marin Mayors Council.

Del Mar's Chorus Is Rated High

The Del Mar School chorus of Reed School District Saturday won a "command performance" rating from the California Music Educator Assn. Bay Area festival in Concord.

The chorus, composed of 70 seventh and eighth graders, won a top rating from all judges at the festival. It was chosen to perform at a festival next Saturday at University of the Pacific in Stockton. But choristers will not be able to keep the date, said Hyman I. Krongard, district music specialist, because the Reed district will be host on that day to a county-wide music festival and a concert beginning at 8 p.m. at Del Mar School.

The Reed District Elementary Chorus also won a superior rating at the Concord festival, and the Del Mar Choral Ensemble won an excellent rating. About 80 schools participated in the festival.

The Vocational Rehabilitation Administration has provided a fund for the arts and crafts program for the handicapped. It is sponsored by the President's Committee on Employment of the Handicapped.

World Grows Smaller For Convicted Felon

Crime does not pay. Honesty is best policy.

These are high-sounding phrases but almost meaningless to a large segment of modern society. The young, in particular, are unimpressed by trite and generalized expressions handed down from the elders. They want specifics. They want to be shown before they will begin to accept any tenet as truth.

A district court judge in Grinnell, Iowa, recently did get down to specifics. Before him stood two juveniles convicted of car theft, a felony. The judge did not pound the table. He gave no prolonged lecture. He did not shout, "Crime does not pay!"

He merely laid out the law in language that youth can understand. We pass them on to you, in the hope that specifics will sink in where generalizations are treated with cynical contempt.

Here, in essence, is what the judge told the juveniles:

You stand convicted of a felony. The record will be here as long as the courthouse stands. No amount of good conduct in the future can ever erase it. Next year, or 10 years from now, or when you are old men, if you are ever called to be witnesses in any court, some lawyer will point his finger at you and ask: "Have you ever been convicted of a felony?"

And you will hang your head and admit that you have . . .

Some day you may have a chance to get into one of the expanding countries of South America, and you apply for a passport. You will not get it. No country will allow you to become a resident.

Your world is, oh so much smaller than it was.

You may seek a position in civil service. On the application blank you will find this question: "Have you ever been convicted of a felony?" Your truthful answer will bar you from examination . . .

In a few years you will be 21 and others of your age will have the right to vote, but you will not. Your father may be a candidate for public office, but you will not be allowed to vote for him . . .

You will be a citizen of your state and country, but you will have no voice in public affairs.

It may be that some day the governor will pardon you and restore your rights, but it is going to be humiliating to ask him. He'll want to know your whole record. It is a bad one.

Your country is calling men to the colors. Its need is such that men are being drafted. But the Army will never accept you, nor will the Navy. Military men are proud of the service; they will not permit it to be debased by enlistments of convicted felons . . .

I am granting you a parole. A parole is in no sense a pardon. You will report to the men who have accepted your parole as often as they may ask. Your convenience is not a matter of importance.

You will also obey your parents. If your parents send you to bed at 9 o'clock you will go without complaint. You will perform such tasks as are assigned to you. Your parole is a fragile thing.

Should the slightest complaint of your conduct be received, your probation will be revoked immediately and you will begin serving your sentence. You will not be brought back here for questioning or explanations. You will be picked up and taken to prison without notice to you and without delay.

These were the words of a judge sentencing two young car thieves.

You may sneer at phrases like "Crime does not pay." But let's hope the specifics have a more sobering effect.

TOUGH SELL

WHAT OUR READERS SAY

Thanks For Help Of Reeb Drive

Editor, Independent-Journal:

I would like to take this opportunity to thank you for the cooperation that you gave to the James J. Reeb Memorial Fund Drive. Without the fine news coverage that you gave to this effort, we are sure that we would not have been as successful as we were. The fund, which closed this Friday, collected $2,672.87—the amount to be sent to the Rev. Martin Luther King Jr. will total $2,422.87.

It is particularly gratifying to all of us in the county to know that our leading newspaper takes, as it should, a leading role in denouncing hate and bigotry whenever and wherever it occurs in our nation and in supporting those organizations which are actively engaged in fighting for civil and economic equality for all Americans.

Again many thanks.

MRS. WILLIAM J. JACKSON
Chairman, James J. Reeb Memorial Committee

Let's Get Rid Of Coleman School

Editor, Independent-Journal:

I am writing this letter as the only immediate neighbor of the old Coleman School, on the corner of Grand Avenue and Linden Lane, San Rafael.

We understand that a group of attorneys purchased the building with the plan of having it torn down and building a residential-type structure to house their law offices and doctor and dentist suites.

We understand that they have applied for a rezoning . . . and in view of the somewhat violent opposition of residents of the Dominican area, we have heard that they have withdrawn the application. . . .

The purpose of my writing this letter is to urge the San Rafael Planning Commission to rezone so as to allow the owners to tear down the old building before it falls or burns down, and build something that will be a credit to the neighborhood. . . .

The building constitutes a terrible eyesore. . . . It is also attracting a very undesirable element to the neighborhood, inasmuch as tramps and other persons of similar nature are using the building for their nefarious purposes. . . .

May we therefore urge that everyone in our neighborhood take a second look. . . . I am sure they will agree with me in urging the Planning Commission to grant the rezoning. . . .

Indigent Funerals And Human Dignity

Editor, Independent-Journal:

Re: Offer of Abbey Funeral Home of Vallejo.

Figured on the basis of the budget for Marin County (1963-64), it costs less than two and one-half mills per tax dollar to give those without funds their own a decent, respectful and reverent burial.

I hope our Board of Supervisors, who in the past have always voted to give human dignity preference over monetary consideration, will give no further thought to the offer of the Abbey Funeral Home of Vallejo regarding any service they might be contracted for to render the County of Marin.

All Funeral Directors of Marin County are taxpayers, and, why, if there be one penny profit, should it go to a Funeral Home outside this County?

Any suggestion regarding an item that represents .1235222 per cent of our total budget is hardly deserving of the cost of a reply — remember, the postage stamp alone costs five cents.

Bulldozers Deface Oak Grove, Hill

Editor, Independent-Journal:

The last two days, I have seen bulldozers completely deface a hill of its beautiful oak groves. "Where?" By the lower Lucas Valley Road. It was a most sickening sight.

Is the City Planning Council aware of such matters? Why this lack of interest and restrictions in preserving the natural beauties of our hills? To me, trees are a property's greatest asset.

Many communities surrounding us do all they can to preserve the natural state of the land while building.

Drive through Sausalito, Mill Valley, Kentfield, Larkspur, Corte Madera, Ross and Fairfax.

It certainly would like to see San Rafael city planners put some restrictions into their building codes. . . . In the meantime, come and observe what is happening to this precious land.

I should like to see some actions put forth NOW—not in the future — when it is TOO LATE.

A beautiful San Rafael—not a barren San Rafael.

Helpful Newsboy Pleases Newcomer

Editor, Independent-Journal:

I am fairly new in Tamalpais Valley but I've never met nicer people than in this area, especially one of your own Independent-Journal newsboys by the name of Mike Johnson.

Mike is such a happy good-natured boy that it is a pleasure to watch him perform his duties in the area. What even makes it nicer is that he puts the paper on my porch or gets my mail from the mailbox and asks if there is anything he can do or get me, because at the moment I am alone and suffering from muscular dystrophy and cannot bend too well let alone walk too well.

If anyone deserves stars in their Halo, it is this boy Mike Johnson who does.

NATO Troubled By Successes; End To European Split Needed

WASHINGTON — A new initiative in foreign policy must germinate a while. It takes time for popular opinion to catch up with expert opinion.

Everybody agrees that NATO is in trouble—and not just because Gen. Charles de Gaulle wants to be "alone."

NATO is in trouble because it has been a success. NATO is in disarray because it has almost entirely removed a past danger — Soviet penetration into Western Europe—and is not adapted to deal with the new opportunity presented by a secure and prosperous Europe.

CLEARLY, NATO still has value and must not be discarded. But something more and different is needed.

This is why the experts who think foreign policy before governments begin to make foreign policy are germinating some ideas for an initiative which events may make practical sooner than many might expect.

One of the most prescient and clear-headed of these experts is Prof. Zbigniew Brzezinski, director of Columbia University's Research Institute on Communist Affairs. He believes the time is ripe to see if the Soviet Union and Eastern Europe will join with the West in a series of actions designed to end the partition of Europe.

THE EVENTS which are persuading many of the specialists in East-West relations that the time is at hand for a new all-Europe initiative, are these:

The Soviet Union is steadily losing control over its Eastern European satellites — and knows it.

But, while the Eastern European nations are moving somewhat away from Moscow, they do not have the independence to align their economies, under present conditions, with Western Europe. This means, Brzezinski points out, that "Europe is again becoming Balkanized and that, as such, it is a major threat to our interests and to our relationship with Europe."

Western Europe is today widely concerned not with the problem of security, which brought NATO into being, but with the problem of European partition, which NATO is not the means for resolving.

BRINGING EUROPE more closely together "from the Urals to the Atlantic" has been one of the goals which de Gaulle has long had in mind. But it won't come about by itself and de Gaulle has neither the resources nor the leverage to bring it about himself.

These are some of the factors which cause Brzezinski to propose "that all European powers, including Russia, undertake with the United States the formulation of an all-European economic development plan."

The purposes would be to cut across European partition, to permit Eastern Europe to resume its historical trade and cultural ties with the West, to reduce the extreme disparities in European living standards to the advantage of all and to pave the way for the unification of Germany.

Would Moscow accept such a common enterprise? Probably not at first. But there are forces at work in this direction: The Sino-Soviet split is one of those forces. Another is the drift away from Moscow in Eastern Europe. Further, the prospect of a more stable Eastern Europe, cooperating with but not tied to the West, may well become more and more attractive to the Soviets.

If it is rebuffed, nothing will be lost.

Marines Can Expect Long Island Stay

By ROBERT S. ALLEN and PAUL SCOTT

WASHINGTON — President Lyndon B. Johnson is privately indicating the Marines may be in the Dominican Republic much longer than any U. S. official is publicly admitting.

Also, he is saying that the Marines' mission goes further than protecting U. S. citizens and property.

IN REVEALING his dispatch of Marines to Santo Domingo, the president told a bipartisan meeting of congressional leaders at the White House he plans to keep the leathernecks on that strife-torn island until "stability" is restored.

When one legislator asked how long that might be and how the president would justify his action, he replied:

"As long as we have American citizens to protect in the Dominican Republic, we are going to keep the Marines there. The evacuation of all the Americans could take considerable time, depending on the situation and how long we want to extend the operation.

"There is going to be no rush to withdraw the Marines. They are going to stay there until there is stability. They are a warning to Castro to stay out."

WHILE NEITHER the president nor Secretary of State Dean Rusk indicated which side the U. S. is supporting in the Dominican fighting, Central Intelligence Director William Raborn made clear which group is backed by the Communists.

He warned that the so-called rebels attempting to restore deposed President Juan Bosch to office are heavily infiltrated with well-organized Communist elements equipped with heavy weapons, and are opposing the pro-U. S. military forces under Air Force Gen. Elias Wessin y Wessin.

According to Admiral Raborn, latest reports from CIA sources on the Caribbean island indicated the rebels are using weapons made in both the Soviet bloc and the U. S.

Raborn, who had been sworn in as the new CIA chief only a few hours before the White House meeting, stressed that a Red-instigated uprising in Raiti would probably follow if the Communist-backed rebels were successful.

HE POINTED OUT that tiny Haiti, occupying the same island with the Dominican Republic, is the closest nation to Cuba. It has approximately 4,500,000 inhabitants and one of the strongest Communist undergrounds in the Caribbean.

In the Dominican Republic, the Bosch supporters ousted the civilian junta headed by Donald Reid Cabral in a swift uprising last week. Their revolt began to falter when General Wessin, with loyal navy and army units, counter-attacked.

GIAN - CARLO MENOTTI, famous operatic composer, is still chuckling over the White House dinner conversation he had with the wives of the two freshmen members of Congress of Italian descent.

After he was seated between the two legislators' wives at the state dinner for Italian Prime Minister Moro, one of the ladies turned to the renowned composer, asking:

"What do you do for a living?"

"I compose opera and write," replied Menotti.

"I can just tell by looking at you," remarked one of the women, "that if you work hard, you will make it."

"Yes, yes," added the other. "Just don't worry. I have faith that you will be a big success some day."

Menotti, who has composed some of America's finest operas. Later he remarked to a close friend, "I wonder who is in charge of seating arrangements in the White House."

Legislature Considers Tuition For University, State Colleges

SACRAMENTO (CNS)—The possibility of charging tuition at the University of California and the state colleges is getting more than a cursory study by the California Legislature this year.

It's not a new subject and, in the past, has been dismissed rather quickly. But a number of factors combine this year to make the subject worthy of further consideration.

FIRST OFF, of course, are the state's tax problems, with a gap between income and outgo a certainty in the next year. This means at least some new or higher taxes will be enacted.

To add to this gap, there are demands that the salaries of university and college teachers should be increased—Gov. Edmund G. Brown has suggested 10 per cent, while some faculty groups claim this is "too little, too late."

Add to this the unrest which has been present on the Berkeley campus of the University of California and you have all the elements for a good long look at a tuition system.

Earlier in the session, Assemblyman John L. E. Collier, R-Los Angeles, introduced his learn now, pay later plan. This would install a tuition charge for all costs of instruction. Students who did not have the funds would be permitted to borrow from the state, with the loan to be repaid after the student graduated and was earning money.

THE COLLIER BILL would set minimum earnings on the pay-back so that, if a student who graduated never got into a higher salary bracket, he would repay nothing to the state. Collier's theory is that a college or university education enables a person to earn more money, and the repayment would be out of that higher increment of earnings.

Now Assemblyman Don Mulford, R-Piedmont, whose district includes the Berkeley campus, also has come forth with a tuition proposal.

"The legislation which I have introduced will institute a modest resident tuition fee at the university and state colleges in order to provide for increased faculty salaries and a system of scholarships based upon financial need," Mulford said. "This will insure that no student in real financial need will be deprived of a higher education because of the tuition increase."

GOVERNOR BROWN, who has flatly opposed the Mulford bill, said he feels that any high school graduate with the proper ability should not be denied the right to a college or university education because of lack of money. Few can disagree with this basic premise but, if it's carried a bit further to the point that every high school graduate is guaranteed a college education whether he wants it, needs it, or is able to earn it, there will be some questions.

Many of the present limits on higher education are more scholastic than monetary anyway. The new higher education master plan provides university students must come from the top 12½ per cent of high school graduates. State college students have come from the top 40 per cent but soon will go to a program of the top 33⅓ per cent.

A CONGRESSMAN, popping up unexpectedly at a Marine boot camp, watched a particularly tough sergeant putting his rookie charges through their paces. MOTTOES meant a great deal to that crusty, self-made, multi-millionaire steel magnate, Andrew Carnegie. He had them hanging on the walls of every room in his home and offices. When his great Fifth Avenue mansion was under construction, he ordered his favorite motto to be carved over the fireplace in the drawing room.

It was so long, unfortunately, that the architect reported, "No can do. The fireplace isn't wide enough." "Make it wider," snapped Carnegie. "That will make the whole room look too short," protested the architect. "Then lengthen the room," ordered Carnegie, "and if that means you'll have to change the whole confounded building, do that too. That motto goes in as is!" And it did.

Drivers, Students, Deans Find Freudian Slips Are Showing

The words people say sometimes have nothing or everything to do with what they mean.

Consider the driver who emerged bruised but otherwise undamaged from his car which had rolled hundreds of feet down an embankment in the Marin hills.

"I guess I took my eyes off the road for a minute," the driver told highway patrolmen.

Or the driver who tried to make a U-turn and ended up in some one's front yard, his car nestling against the front porch.

"I guess I got my foot on the wrong pedal," he said.

Consider the inebriated gentleman who climbed unscathed from his wreck of a car after it had wound itself around a tree trunk some distance from the road.

"I DON'T KNOW what happened. I don't know where I was coming from. I've been drinking, but I don't know where."

There is a seminar - style class at Bel Aire School in the Reed District for some kids who are a little sharper than others.

One student was telling fellow students about President Warren G. Harding, saying the president had "bad luck—just made a few mistakes when he chose his Cabinet."

"This is luck?" asked School Principal John Fitch.

Then there are the public officials who, in a room full of people, can stare fixedly at a reporter and say, "That's off the record."

Off the record to whom? Does it mean that no one who hears can or will speak of it? Does it mean public meetings are only as public as the speaker decides they will be?

OF COURSE, there is the case of the gentleman who said his children were staying with his mother outlaw," then looked slantwise at his wife, hoping she hadn't caught the slip.

Seniors at Golden Gate Baptist Seminary at Strawberry were happily going through their graduation rehearsals last week.

Detailed instructions were being given on when to stand, when to sit, which way to enter, when to remove the graduation cap.

"Some dumb cluck always makes a mistake about when to take off his cap, so don't worry," put in William A. Carleton, dean of the school, and a long drink of water who would stand out in a crowd of his fellow professors.

AS ANOTHER professor gleefully leaped to comment, Dean Carleton cut him off:

"Well, I only did it once," he added, face turning red.

Then there was the time that Seminary President Harold K. Graves was awarding diplomas with solemn ceremony. Before hundreds of students and proud parents he was to say the words, "I now confer upon you . . . ."

It came out, "I now baptize you . . ." to the gasping astonishment of the new minister who just wanted his diploma.

ART BUCHWALD

Organization Needed To Protect Southern Mayors In Washington

WASHINGTON—The Honorable Rep. William Dickinson of Alabama has just put in the Congressional Record his charges of sexual orgies in the march from Selma to Montgomery.

While everyone is concerned about these, the main problem at the moment seems to be what's happening in Washington, D.C., when a Southern mayor visits this town.

LAST WEEK another Southern mayor, this time from Arkansas, was bilked in a flim-flam game in Washington, D.C. As with the mayor of Selma, Ala., the victim was out on the town looking for fun and games.

Instead his guide left him holding a brown envelope with newspaper clippings in it in what has now become known as the "Murphy" game. ("Put your money in this envelope, mister, so it will be safe.")

Many public-spirited citizens in Washington have become deeply disturbed by what is happening to our Southern mayors when they come to the nation's capital. They've decided something has to be done about it, not only to protect their good names, but also to protect the good name of the city.

The trouble seems to be that when a small-town Southern mayor comes to Washington he doesn't have enough to do at night. He's left more or less to his own devices and, not knowing the ways of the big city, he's bound to get into difficulty.

Therefore, a group of citizens have decided to start a sort of USO for small-town mayors, where they could come in the evening and play ping-pong and get hot dogs and hamburgers and meet nice girls from good homes instead of the type they're bound to run into if they're left on their own.

THE UMO (United Mayors Organization), as it would be called, would advise mayors on where they could get good clean rooms, what there was to see in Washington, and how to avoid being cheated by undesirable elements in the city.

"Why do you think mayors are so susceptible to the flim-flam game?" I asked a spokesman for the UMO.

He replied, "We have mayors coming in all the time, many from small Southern towns, homesick and far from their families.

"If they had a decent place to go in the evenings, they wouldn't be tempted by all the debauchery in Washington. We owe it to them to see they have someone to talk to, a friendly ear to listen to their troubles, and a person who can keep them from getting their pockets picked.

"I know that if our club had been going neither the mayor of Selma nor the mayor from the town in Arkansas would have lost any money when they were here."

"SIR, WHAT IS your advice to a small-town mayor coming to Washington for a meeting?"

"First of all, he shouldn't speak to strangers, no matter how accommodating they sound. Secondly, if anyone tries to sell him something like the Washington Monument, he should check with a reliable source to make sure the monument hasn't been sold already.

"Thirdly, if anybody suggests 'entertainment' not of a theatrical nature, the mayor should reject the offer and report it to one of our chaperones at the club."

"Isn't it true that many mayors who are afraid to integrate at home are trying to do it in Washington, D.C.?"

"That seems to be the problem," he said. "We believe in integration, but we don't think it should take place after 12 o'clock at night. That's when all the trouble starts."

Junior College State Board Plan Due Airing

Proposed creation of a State Board of Junior Colleges, now being considered by the state legislature, will be discussed on radio KTIM's "Marin Sounding Board" from 9 to 10 a.m. tomorrow.

Speakers will be Dr. Stephen E. Epler, College of Marin president and chairman of the California Junior College Assn. legislation and finance committee; Mrs. Elizabeth M. Deely, member of the Marin Junior College district board and chairman of the junior college section of the California School Boards Assn.; George McCabe, chairman of the division of education and psychology at Sonoma State College, and Dr. James Dieger, president of Napa Junior College and of the northwest region of the California Junior College Assn.

Karl Marx, German social philosopher, the chief theorist of modern Socialism, was born on this day in 1818.

On this day in history:

In 1821, France's Napoleon Bonaparte died in exile on the island of St. Helena.

In 1925, a biology teacher, John Scopes of the Dayton, Tenn., public schools system was arrested for teaching the theory of evolution in violation of a state law.

In 1939, Poland refused to agree to Adolf Hitler's demand for cession of the City of Danzig to Germany.

In 1955, the Federal Republic of Germany (West Germany) became a sovereign state.

A thought for the day—President Grover Cleveland Said: "Public officers are the servants and agents of the people to execute laws which the people have made."

Leave Trumps Out To Retain Control When Playing Game

When your side suits are fully established you often draw trumps to prevent the opponents from ruffing any of your good cards.

In the exceptional hands you refrain from drawing trumps for fear of losing control.

Opening lead — ♡ K

West takes a heart trick and continues the suit, forcing you to ruff. Now you are tempted to lead a diamond to dummy so that you can take a trump finesse. If you yield to this temptation, you lose the contract.

WEST WINS

West wins with the queen of spades and returns a heart to make you ruff again.

You are down to only two trumps, and you can draw trumps with them—but this leaves West with the 13th trump. He will eventually ruff a diamond and cash his last heart, thus getting two trumps and two hearts.

LINE OF PLAY

The line of play just described would be correct if your contract were six spades. You would need the spade finesse, and you would therefore try it.

At four spades you don't need any finesses. You can afford to lose two trumps in addition to the heart trick already lost.

The contract is safe as long as neither opponent has more than four trumps.

SECOND HEART

After ruffing the second heart, draw just two rounds of trumps with the ace and king. Now abandon the trumps in order to run your side suits.

Sooner or later West will ruff with the four of spades. Good luck to him. You can ruff his heart return and you will still have a trump left.

Continue with your side suits and let West ruff with his queen of spades whenever he likes. That is all he can get.

DAILY QUESTION

As dealer, you hold:
♠ A K J 10 9
♥ J
♦ A J 6 4 2
♣ A K

What do you say?

Answer: Bid two spades (forcing to game).

This hand should produce about 8 or 9 playing tricks even if partner has a worthless hand. There would be no question about the right bid if both of your long suits were majors. With one suit a minor, there is some slight doubt about forcing to game. Some experts (including the one who originally held this hand, as shown in the diagram) would bid only one spade with this hand.

Drake High Parents Form New Group

As the Benchwarmers at Sir Francis Drake High School are to athletics, so will a yet-unnamed organization be to academics.

A group of parents, concerned that scholastic achievement does not receive as much recognition as athletics prowess, has formed a committee to fill this gap. Working with California Scholarship Federation and Honor Crew advisers Charles Simonds and Jack Smith, the parents have set up a contest to find a name for the "Scholastic Benchwarmers."

A $5 record gift certificate is offered to the Drake student who comes up with the best name.

The organization's first activity will be sponsorship of a scholarship banquet for CSF and Honor Crew members, at San Francisco Theological Seminary in San Anselmo tomorrow evening. Donald Palmer, philosophy teacher at the College of Marin, will be guest speaker.

Mrs. Theodore M. Lilienthal, a member of the steering committee, said the group already has several other projects planned.

Theodore C. Wellman is president of the College of Marin Foundation.

CAMERA CUTIE — Dianne Shallock of San Rafael will be one of the girls vying for the title "Miss Photo Model of Northern California, 1965" on May 23. Finals will be held at Sigmund Stern Grove, San Francisco, starting 11 a.m. The winner will get a trip to Disneyland and other prizes.

Chain Bid Sale Set At Hamilton

Miscellaneous chains are on bid sale at the Defense Surplus Sales Office at Hamilton Air Force Base.

These chains may be seen until May 25 when bids will be opened at the Oakland Defense Surplus Sales Office.

Fine Arts Festival Set For Drake High School

The fine arts department of Sir Francis Drake High School in San Anselmo will hold a fine arts festival Friday, Saturday and May 14 in the Little Theater and courtyard of the school.

A movie, several one-act plays, a pot and jewelry sale, continuous performances of jazz and other musical selections, display of modern dance and demonstrations by students working at potter's wheels are planned during the festival.

Abstract and representational oil paintings, ink sketches and watercolor paintings by advance art students will be on display and there will be an exhibit of student photography.

A James Bond-type movie, "The Kid from N.E.P.H.E.W.," written and directed by drama teacher Robert Johnson and students Jim Schroeder and Rich Condit, will be shown.

Student musicians, under direction of Perry Smith, will play for a musical comedy presented by students under direction of Darryl Parker.

The festival will be held from 7 to 11 p.m. Saturday, 1 to 5 p.m. and 7 to 11 p.m. Sunday, and 7 to 11 p.m. May 14.

Domestic Peace Corps Talk Set

A field representative of VISTA, the domestic version of the Peace Corps, will speak on opportunities in the new program at 1 p.m., May 12 at the San Rafael Community Center at 37 Union Street.

VISTA representative Nancy Sinkin will describe the program in an appearance sponsored by the Senior Citizens Advisory Board and the Volunteer Bureau of Marin.

Band Festival At Terra Linda

Six of the state's highest rated high school concert bands will perform at the invitational band festival hosted by Terra Linda High School at 2 p.m. Sunday.

Participating in the festival will be bands from Atascadero High School in San Luis Obispo County, Tulare Western High School in Tulare County, Menlo-Atherton High School, Novato High School, Berkeley High School and Terra Linda High School.

Proceeds will be used to defray cost of transportation to the festival.

Marinite Set For Traveling Seminar

Robert A. Pecota, son of Mrs. Andrey Evon Pecota of Larkspur, will be among 15 graduate business students participating in a three-week traveling seminar in Europe.

Pecota, a graduate student at University of California in Berkeley, graduated from Sir Francis Drake High School in San Anselmo and attended College of Marin.

Medical Human Rights Group

A San Francisco Bay Area chapter of the Medical Committee for Human Rights has been formed by Dr. Albert E. White of Mill Valley.

White said the chapter seeks persons in health professions interested in lending their names, ideas and support "for medical equality and justice for all."

White attended a constitutional convention of the committee last week end in Washington, D.C. Its purpose, he said, is to provide emergency medical services for the civil rights movement, protect rights workers' health, expand health programs and bring to light discriminatory health practices.

Fire Service Day Slated For Novato

Fire service day will be observed with an open house at both fire stations in Novato from 10 a.m. to 5 p.m. Saturday, according to Assistant Chief James Kidder.

Firemen will be on hand to conduct visitors round the station and explain the use of the equipment.

AS ONE OF THE SIX distinctive homes on the Belvedere tour Wednesday, the Thomas J. Fleming residence has been made into a comfortable home for a family with three children. Originally the Belvedere Golf and Country Club, it has a beamed ceiling and huge fireplace, and outdoors are a tennis court and swimming pool. Six Belvedere Homes Open On May 12

Six distinctive Belvedere homes will be opened for the 15th annual house tour of St. Stephen's Guild on May 12 from 11 a.m. to 4 p.m. and will feature modern and traditional styles with unusual architectural features.

Mesdames John J. Wiley and James Crittenden of the guild are serving as chairmen.

Hospitality chairman Mrs. James Michael and her committee will serve tea at the San Francisco Yacht Club after 2:30 p.m. Table arrangements and flower arrangements will be displayed in the homes on the tour under the supervision of Mrs. Jack Welisch. Mrs. Burton Stitt, whose work will be shown at the tea, is arranging the art exhibit of her work and the works of Nelcy Tarics and Suzanne Himmelwright.

MRS. MARK NOBLE JR. is the chairman of the luncheon, a new feature of the tour. Scandinavian luncheon will be served at the Village Green. Luncheon reservations may be made at the same time reservations for the tour are made. Reservations are limited to 200.

Transportation arrangements have been made by Mesdames Russell Gomez, W. C. Witter and John Flint. A fleet of station wagons will provide transportation for all tour guests. Arthur Collbran is in charge of the Boy Scouts who will assist in directing traffic.

Mesdames Merritt K. Ruddock and Robert Morrison are responsible for the design and distribution of brochures, posters and tickets.

Mrs. Robert Ingram and Mrs. Peggy Wilson will choose the hostesses who will greet the guests on the day of the tour. The finance chairman is Mrs. Walter Simi.

Mrs. Dick DeBerry, publicity chairman, is assisted by Mesdames Al Trobbe, Frank G. King, John H. Hoefer, Donald Mitchell and Robert Brownlee Bagnall.

Houses on tour are:

MR. AND MRS. WILLIAM B. DAVID: This house, originally designed for weekend living by an owner who loved growing flowers, boasts the largest sweep of lawn on the lagoon and a formal garden. The new architect-owner and his wife remodeled it, emphasizing its French country house feeling, and decorated it in candy-box colors and red and pink, mint-green and white, yellow and gold. The gazebo, the many garden statues, the music piped through the house, all add to its mood of animation.

MR. AND MRS. RALPH C. NOAH: There is new dimension in Belvedere living on the new West Shore. Built at water level, bay and the Noah house are closely related. The designer, Bill Brooke, has taken full advantage of the drama of the site. The tall ceilings, the long windows on the water, the huge open deck for days of sea air and sun make this a functional as well as an eye-filling place to live.

The bar and dining room make entertaining easy, the master bedroom doubles as a den, with sofa and chairs and books. For escape and serenity,

Barbara Wheeler Becomes Bride In San Rafael Rite

The First Presbyterian Church in San Rafael was the setting for the wedding of Barbara Caroline Wheeler, daughter of Mr. and Mrs. W. L. Engvall of San Rafael, and William Frederic LeValley of San Anselmo at 2 p.m. Saturday.

Barbara was escorted to the altar by her stepfather in the double ring ceremony with the Rev. James Upshaw officiating.

She was dressed in a white full-length gown of nylon sheer over taffeta with elbow length veil. Donna Rea Frost of Novato wore a powder blue nylon sheer over taffeta dress as maid of honor.

William Wallace acted as best man and ushering were William R. Engvall of Lucas Valley, brother of the bride, and Ronald LaValley of Terra Linda, brother of the bridegroom.

Both bride and bridegroom were graduated from Terra Linda High School and attended College of Marin. Barbara is the sister of James E. and Lee Engvall and the graddaughter of Mrs. Robert Waltzer of San Rafael.

The bridegroom is the son of Mr. and Mrs. William A. LaValley of Terra Linda and the grandson of Mrs. Lulu Buehanan of Fairfax. He is employed with the Marin County Real Estate Board.

Following a wedding trip to Southern California the couple will reside in Fairfax.

Lagoon And Island Homes On Wednesday Tour In Belvedere

Continued from page 37

there is the enclosed patio with a pool, with entrance from the master bedroom, as well as from the main entry.

MR. AND MRS. THOMAS FLEMING JR.: The Flemings (with their architect, Clifford Conly, and their decorator, Alexandra Lackey) have taken full advantage of the aura of unique history surrounding this charming old house. Originally the Belvedere Golf and Country Club, it has become a comfortable home for a family with three young children. The site itself, with tennis court and swimming pool and gardens has settled charm and well-weathered age. The interior carries out this theme. In the beamed living room with its huge fireplace and comfortable sofas, find the "Braddock Desk" — a tall mahogany secretary which antedates the Revolution and has been handed down in the Fleming family. The ship models, a hobby of Mr. Fleming's, are also noteworthy. The original Admiralty model of a shore boat is a collector's piece, and lovers of ship models will enjoy the collection in cases in the family room, which are the work of Mr. Fleming.

ORIGINALLY DESIGNED for weekend living, the lagoon home of the William B. Davids features a formal garden and the largest sweep of lawn on the Belvedere Lagoon. The new architect-owner and his wife have remodeled it to emphasize the French country house feeling. Here from left are Mesdames Frank G. King, William D. Caddell and William Main.

MR. AND MRS. RICHARD F. CAHILL: The ancient grace of terraced Japanese gardens, a vine-covered house built by another generation—a superb view of the Golden Gate Bridge across the water — these are riches enough to entrance the visitor to the Cahill house. But no one is prepared for the dramatic entrance to the original and exciting residence. Updated several years ago by John Lord King, one whole floor of the original structure was removed to create a two-story living room. One enters and stands on a balcony looking down into one of the most captivating interiors in the Bay Area. Kitchen and dining area are on the balcony. Bedrooms are on this level, too. The fabrics and wallpapers are richly textured. Below the pool area with its lovely planting and its sauna bath, is an outside dining area and barbecue. Below that, a sharp drop to a private beach.

MR. AND MRS. GERALD STRATFORD: Here is a lagoon house bursting with the sports-loving joie-de-vivre of its owners. It is a house with a vigorous personality, admirably suited to the life its owners enjoy. A collection of Audubon prints in the hall and pieces of furniture selected to suit this smaller house from the large family home in San Francisco make this a charming home reflecting the interest of this busy family. The Stratfords sail and ski, they garden, they fish and play tennis. They are warmly hospitable and their house reflects their tastes. There is ample room for guests and family—a charming guest bedroom opens out to an enclosed patio garden. There is a den with a special workbench for the fisherman who ties his own flies.

BARNEY BRANSON HOUSE: Designed by architect Ernest Weihe for himself and his wife in their retirement years. The enclosed courtyard within its spacious brick terrace and imaginative planting sets the scene for easy hospitality. The window shutters from New Orleans, the Queen Anne chairs, the custom-designed chandelier over the dining table, the richly colored rug from Morocco in the den, the original paintings and watercolors (look for the "abstract fish" in the kitchen done by Mrs. Branson's niece) combine to produce a rare and subtle mood of serenity and content. A noteworthy feature of the house is its enclosed lanai illuminated with ancient London Street lamps. The tiny guest-room and gallery above the living room, reached by a ship's ladder, add fillip to the over-all effect of quiet dignity and grace.

Tickets for the tour and for the luncheon may be obtained from Mrs. John Barnes, 104 Bella Vista, Belvedere. Tickets may also be purchased at the reception desk at the San Francisco Yacht Club or at any home on the tour.

THE WEST SHORE Road home of the Ralph C. Noahs takes advantage of its dramatic site beside the bay and features long windows on the water. From left are Mesdames Frank G. King, John Hoefer and Merritt Ruddock, all of the sponsoring St. Stephen's Guild.

P-TA Votes To Befriend A Family In Mississippi

The Tamalpais Valley School's Parent-Teacher Assn. has voted to "Befriend a Family in Mississippi."

The unit is the first P-TA in Marin to participate in the continuing program of the "Marin to Mississippi" project initiated by Mesdames Joe Forest and Al Goldstein Jr. Approximately 60 families have been adopted.

In the West Point, Miss., family adopted by the Tam Valley unit there are 14 members consisting of 50-year-old father, 40-year-old mother, boys aged 18, 19, 9, 8, and 5 and girls aged 16, 15, 10, 4, 1½ and two months.

Clothes money and books are being placed in a container at the school, and correspondence will be read at P-TA meetings.

Anyone interested in helping may contact newly elected P-TA president Mrs. John McRee.

AAUW Will Meet At Brunch Monday

On Monday at 9:30 in the morning a group of Marin Branch American Assn. of University Women members will assemble at the home of Mrs. John C. Braman in Lucas Valley for brunch and a change of command.

The occasion is the monthly board of directors meeting, with both the retiring officers and the newly elected ones, as well as new and former section chairman in attendance. Experience books of the program and activities of each section which are kept by the chairman will be passed on to the successor, and a report is compiled for the use of the branch historian, Mrs. Clyde H. Ongaro.

Newly-elected president is Mrs. Robert Flanders. Mrs. John C. Braman is second vice president; Mrs. Wayne Dickinson is corresponding secretary; Mrs. Nancy Downey is recording secretary; Mrs. Ronald Ehrke, financial secretary. Mrs R. J. Houston and Mrs. Robin A. Galloway are directors-at-large.

Pro America Unit To Hear Co-Founder At Monday Tea

Mrs. A. L. Bjorklund Jr., president of the Marin Unit of Pro America, has announced members and their guests will hear Mrs. A. C. Mattei on Monday. Mrs. Mattei is one of the co-founders of the National Pro America and of the California State Chapter of Pro America. For many years she was a well known hostess in the Bay Area and in Washington, D.C. Mrs. Mattei has also taken an active part in national politics.

The event will be held at the home of Mrs. S. C. Stapp of Sausalito with Mrs. Bjorklund and Mrs. John Pershing of Mill Valley as hostesses. Mrs. Chester Vargas of Belvedere and Mrs. W. L. C. Brown of Sausalito will serve tea at 1 p.m.

Hostess Club Plans 'Splash O' Fashion'

"Splash O' Fashion" is the theme for the Novato Hostess Club luncheon, swim wear fashion show and aquacade to be held at 1 p.m., Saturday, at the Lodge in Novato.

Novato Hostess Club members and their teen-age daughters modeling the swimsuits are Mesdames Karl Zueger, Thomas Lindgren and Ray Emerson and Juanda Power, Roxane Wilkinson, Georgia Anderson, Nancy Bristowe, Linda Wilson and Carolyn Binnewies.

Following the luncheon the Ann Curtis Synchronized Swimmers will present four numbers.

"The Best Part of the Circus," a clown routine, will be performed by Terry Begg of San Anselmo, Jan Cockcroft, Carrie Cuneo, Joanne Elkin, Lori Mandin and Tracy Wood, all of Terra Linda. Julie McKinstry of Marinwood, will present a solo, "The Butterfly." Laureen Poganski of Kentfield and Mrs. James Kilpatrick of Novato will be featured in "In the Garden of Eden" and they will join Darlen Bordner of San Anselmo and Janis Steinmetz of San Rafael in "Roundup."

General chairman for the luncheon is Mrs. Cleve Wilkinson. She is being assisted by Joanne Johnson, fashion show coordinator, and Mesdames James Kilpatrick, swim team instructor; Leonard McCrea, special effects; Harry Gustafson, publicity and Charles Lacey, Ed Shannon and Michael Hemovich, ticket and reservation chairmen.

Sharon Ellene Davis Engaged To Marry

A dinner party Sunday at the home of Mr. and Mrs. Edward Davis in Gridley, was the occasion for the announcement of the engagement of their daughter, Sharon Ellene, to Robert Lowell Zunino of San Rafael.

The future bridegroom is the son of Mr. and Mrs. Lowell Zunino of San Rafael and the brother of Thomas R. Zunino of San Rafael. His grandmothers are Mrs. Lawrence Walker of Santa Rosa and Mrs. Salvatore Zunino of San Rafael.

Sharon, who lives in San Francisco, is a senior majoring in accounting at San Francisco State College.

Robert was graduated from San Rafael High School, College of Marin and San Francisco State College where he majored in marketing.

No date has been set for the wedding.

SHARON DAVIS

Official To Speak At Awareness Meet

Milton Cohen, superintendent of the Larkspur School District, will be the speaker at the Awareness luncheon meeting on Monday.

It will be held at 11:30 a.m. in the Mill Valley home of Mrs. Edmond Gross.

Cohen will tell of his study of teaching methods during the 21 days he spent in Russia recently.

NEW WAY TO BE SUDDENLY SLIM, COMFORTABLE, TOO

San Francisco—Are you a woman whose figure is on the good side but might look perfect? You'll be thrilled by the new, easy way science has discovered for you to become Suddenly Slim and yet completely comfortable. If you're more than 15 pounds overweight or your waistline is larger than 32 inches, then this idea is not for you. If your weight problem falls within this range, then you can realize a new, smoother figure today, without diet or exercise.

Suddenly Slim is an all-new kind of 4-oz. girdle constructed of science fibers. One startling innovation is the sheer nylon front panel. This is permanently stiffened by a science process and cannot give or sag. It's surrounded by a slimming action border. A featherstitched panel down each side of this girdle will contour your hips if they are a problem.

The girdle itself is of "wonder" Lycra spandex blend. It's a new power net consisting of nylon, acetate and spandex. It is so comfortable, but has such slimming strength, it gives your figure everything that's possible with a foundation.

"Suddenly Slim," in both girdle and panty versions, is the peak achievement of the California designer-genius, Olga. They are available in our area at The Emporium, Foundations, all six stores, phone YU 2-1111.

BONDS YES BONDS NO

The estimated cost of the county improvement as set forth in said measure is the sum of Eleven Million Three Hundred Thousand Dollars ($11,300,000.00) and the amount of the bonded indebtedness proposed to be incurred for said county improvement is the sum of Seven Million Seven Hundred Fifty Thousand Dollars ($7,750,000.00). It is contemplated by the Board of Supervisors that the difference between said estimated cost and the amount of said bonded indebtedness proposed to be incurred therefor will be made up from moneys on hand in the general fund of the county, but the Board of Supervisors reserves the right to provide otherwise for the payment of said difference, or, if any of such moneys over and above the amount to be realized from the proceeds of sale of said bonds are not available, to reduce the cost of said county improvement to the actual amount to be realized from the proceeds of sale of said bonds together with funds actually available for said county improvement, and said estimated cost herein set forth shall not be deemed to constitute a limitation or condition upon the issuance of any of said bonds.

SECTION 2: (a) This Board of Supervisors does hereby submit to the qualified electors of said county at said special county bond election said measure for the issuance of said bonds, and hereby designates and refers to said measure in the form hereinabove set forth as the measure to be set forth on the ballots hereinafter prescribed for use at said special county bond election.

(b) Said special county bond election shall be held and conducted, and the votes thereat received and canvassed, and the returns thereof made and the result thereof ascertained and determined as herein provided, and in all particulars not prescribed by this resolution and order said election shall be held as nearly as practicable in conformity with the election laws of the State of California and only qualified voters of said county may vote thereat.

(c) Said special county bond election will be held on the date aforesaid, from the hour of seven o'clock A.M. (Cal. D.S.T.) to the hour of seven o'clock P.M. (Cal. D.S.T.) of the same day, during which period of time the polls will remain continuously open. At seven o'clock P.M. (Cal. D.S.T.) the polls will be closed, except as provided in Section 14436 of the Elections Code, and the election officers shall thereupon proceed to canvass the ballots cast thereat.

(d) The precincts hereinafter described are hereby formed, established and fixed as the precincts of Marin County for the purpose of holding said special county bond election, and the polling places hereinafter designated are hereby selected and designated as the places within Marin County where said special county bond election must and will be held, and the persons hereinafter named as inspectors, judges and clerks are hereby respectively appointed as such inspectors, judges and clerks to conduct said special county bond election in said respective precincts of Marin County and are the officers of said special county bond election and as such are to conduct said special county bond election. Said persons appointed as election officers are hereby found and declared to be legally qualified for their said respective positions.

(e) The ballot to be used at said special county bond election shall be in substantially the following form, to wit:

No. _____

(This number shall be torn off by Inspector and handed to the voter).

No.———

MARK CROSS (X) ON BALLOT **ONLY WITH RUBBER STAMP**; NEVER WITH PEN OR PENCIL

(ABSENTEE BALLOTS MAY BE MARKED WITH PEN AND INK OR PENCIL).

(Fold ballot to this perforated line, leaving top margin exposed.)

GENERAL BALLOT
SPECIAL COUNTY BOND ELECTION
MARIN COUNTY, CALIFORNIA
TUESDAY, JUNE 8, 1965

INSTRUCTIONS TO VOTERS: To vote on any measure, stamp a cross (X) in the voting square after the words "BONDS—YES" or "BONDS—NO".

All marks except the cross (X) are forbidden. All distinguishing marks or erasures are forbidden and make the ballot void. If you wrongly stamp, tear or deface this ballot, return it to the Inspector of Election and obtain another. On absent voter ballots mark a cross (X) with pen or pencil.

MEASURE SUBMITTED TO VOTE OF THE VOTERS

MEASURE (A): (Hall of Justice Building)	Shall Marin County incur a bonded indebtedness in the principal amount of Seven Million Seven Hundred Fifty Thousand Dollars ($7,750,000.00) for the object and purpose of acquiring, constructing and completing the following county improvement, to wit: A county building on land owned by the County for the purpose of providing a Hall of Justice, including a county jail, courtrooms, governmental and administrative offices, and site improvements, furniture, fixtures, equipment, apparatus and other works, property or structures necessary or convenient for said county improvement?	BONDS YES BONDS NO

(f) To vote in favor of said measure hereby submitted and to authorize the incurring of the indebtedness in said measure set forth, each elector shall stamp a cross (X) in the voting square after the words "BONDS-YES" on the ballot to the right of said measure. To vote against said measure hereby submitted and against the incurring of the indebtedness in said measure set forth, each elector shall stamp a cross (X) in the voting square after the words "BONDS-NO" on the ballot to the right of said measure.

(g) The County Clerk shall supply ballots and stationery and all other things necessary for the conduct of said elections to the proper officers of election.

(h) The returns of said special county bond election shall be made out and signed by the election officers and shall be by them deposited with the County Clerk together with the ballots cast at said election. This Board of Supervisors shall canvass said returns or cause said returns to be canvassed, and shall declare the results of said election at the times and in the manner provided by law.

(i) For the conduct of said special county bond election, Marin County shall be divided into 182 precincts, each of which shall consist of one, or of a consolidation of more than one, of the general election precincts as last heretofore established by the Board of Supervisors of Marin County for the holding of general state and county elections within said county. OFFICIAL NOTICE INVITING BIDS FOR THE PURCHASE OF BONDS ISSUED BY THE CITY OF SAN RAFAEL UNDER THE PROVISIONS OF THE IMPROVEMENT ACT OF 1911

NOTICE IS HEREBY GIVEN that the City of San Rafael will receive bids for the purchase of $389,066.00 principal amount of bonds of the City of San Rafael designated as "Improvement Bonds, Francisco Boulevard Assessment District, City of San Rafael, Marin County, California". Said bids are to be delivered not later than 2:00 o'clock P.M. on May 17, 1965, at the office of the City Clerk of the City of San Rafael, located in the City Hall, San Rafael, California, at which time and place said proposals will be publicly opened, examined, and declared. The results of said bidding will be reported to the City Council of the City of San Rafael at 8:00 o'clock P.M. of said day.

The bonds are authorized to be issued under the provisions of Resolution of Intention No. 2749, as amended, of the City Council of the City of San Rafael, adopted on the 18th day of February, 1963, and proceedings subsequent thereto. The Resolution of Intention, as amended, provides with relation to said bonds as follows:

"NOTICE IS HEREBY GIVEN that serial bonds shall be issued in the manner and form provided in Part 5, Division 7, of the Streets and Highways Code of the State of California (Improvement Act of 1911) to represent unpaid Assessments of Fifty Dollars or over, which said bonds shall bear interest at a rate of not to exceed six per cent (6%) per annum, the last instalment of which bonds shall mature fourteen (14) years from the 2nd day of January next succeeding the next September 1st following their date. Said bonds shall be be payable to bearer, and there shall be added to the redemption clause in said bonds the following words:

'. . . together with a premium of five per cent (5%) of the unmatured principal.'"

DATE OF BONDS AND INTEREST RATE: Bonds are to be dated June 2, 1965, and will bear interest from said date. Interest rate is fixed in the Resolution of Intention, as amended, at a rate not to exceed six per cent (6%) per annum.

PURPOSE OF ISSUE: Said bonds are authorized to be issued by the City Council of the City of San Rafael by Resolution of Intention No. 2740, as amended. The purpose is for the construction of certain street improvements and drainage improvements and the acquisition of certain easements and rights-of-way within the boundaries of the assessment district. The assessment district is designated as "Francisco Boulevard Assessment District, City of San Rafael, Marin County, California", and reference for all details is made to the proceedings for the formation and completion of said assessment district.

The original amount of the assessment was $389,066.00. The sum of $0.00 has been paid in cash. Therefore, the amount of bonds to be issued is the sum of $389,066.00.

DENOMINATIONS: Average assessments are not applicable because they vary with the size of the property. Reference should be made to the unpaid list to determine the amount of the assessment against each parcel.

PAYMENT: Both the principal and interest are payable in lawful money of the United States at the office of the City Treasurer of the City of San Rafael, located in the City Hall, San Rafael, California.

CALLABLE BONDS: All bonds are subject to redemption pursuant to the provisions of the Improvement Act of 1911. Any property owner may redeem any bond at any time by paying the then unpaid principal, 5% of the then unmatured principal as premium, and interest to the next succeeding interest coupon date.

AUTHORITY FOR ISSUANCE: Said bonds are authorized to be issued by the proceedings in said assessment district, and said assessment district was organized and consummated and bonds provided to be issued under the provisions of the Municipal Improvement Act of 1913 of the State of California and the Improvement Act of 1911 of the State of California.

SECURITY: Said bonds are secured by real property against which each bond is a lien, as provided for by the Improvement Act of 1911.

LEGAL OPINION: The unqualified legal opinion of the law firm of Sturgis, Den-Dulk, Douglass & Anderson, 1322 Webster Street, Oakland, California, approving the validity of said bonds will be furnished to the successful bidder without charge.

HIGHEST BID: The bonds will be awarded to the highest bidder considering the price offered and interest rate. Bidders may bid fractional interest rate, but the fractional interest rate must either be 1/8th of 1% or 1/10th of 1%. Only one interest rate may be bid. No bid for less than par value of the bonds to be sold will be accepted. All bids will also provide that accrued interest will be payable from the date of the bonds. Highest bidder will be considered to be that bidder who pays the highest premium, if any, the highest price with relation to par, and the lowest interest rate.

PROMPT AWARD: The City Council of the City of San Rafael will take action awarding the bonds or rejecting all bids not later than forty-eight (48) hours after the expiration of the time herein prescribed for the receipt of proposals.

PROMPT DELIVERY: Delivery of the bonds will be made to the successful bidder at the office of the City Treasurer of the City of San Rafael, located in the City Hall, San Rafael, California, on June 2, 1965, or as soon thereafter as said bonds are ready. The successful bidder is to deposit the purchase price of said bonds within forty-eight (48) hours after notification of their readiness for delivery to them. The amount of the deposit of the successful bidder will be deducted from the purchase price of the bonds.

FORM OF BID: All bids must be for not less than all of the bonds hereby offered for sale. Each bid, together with bidder's check, must be enclosed in a sealed envelope addressed to the City Council of the City of San Rafael and endorsed, "Proposal for City of San Rafael Bonds, Francisco Boulevard Assessment District, Series 1965-1".

BID CHECK: With each bid must be submitted a certified check or cashier's check for $2,000.00 drawn on a bank or trust company transacting business in the State of California, payable to the order of the City of San Rafael, to secure the city from any loss resulting from the failure of the bidder to comply with the terms of his bid. Checks of the unsuccessful bidders will be returned by the city by mail upon the award of the bonds. No interest will be paid upon the deposit made by any successful bidder.

OFFICIAL statement: The successful bidder will be furnished with a no-litigation certificate certifying that there is no controversy or litigation pending or threatened concerning the validity of the bonds as of the time of the delivery of the bonds.

Grand Canyon Faces Threat Of Flooding

By WIL LEPKOWSKI
Advance News Service

WASHINGTON — Beauty-conscious President Johnson is being confronted with a new dilemma: Whether half of Grand Canyon, the majestic chasm nature took a billion years to carve, should be flooded with a man-made lake.

The administration already has given tentative approval to a $1.3 billion federal water project that would create the lake 100 miles long and more than four miles wide in the bottom of the canyon.

But under pressure from conservationists, the administration is taking a second look at the scheme proposed by several Arizona lawmakers and the Bureau of Reclamation. The Interior Department and the Budget Bureau may issue a revised plan this week.

Whether it will spare the canyon isn't known.

The original plan calls for damming up the Colorado River at Bridge Canyon 30 miles downstream from Grand Canyon to produce hydro electric power. This would back river water 100 miles into Grand Canyon, forming a lake 50 feet deep.

Proponents of the so-called Arizona project, among them the state's 87-year-old Sen. Carl Hayden, claim the lake would only enhance the canyon's splendor.

But a group of conservationists banded into the Sierra Club say the proposed dam would destroy the "living river" and obliterate wildlife and the rocks time has fashioned into wondrous shapes. "The major part of the canyon would still be there, but the pulsing heart of the place would be stopped.

With Johnson on the griddle is Interior Secretary Stewart L. Udall. He is an avowed conservationist. But he is also a native Arizonan and a politician. He has backed the plan so far.

A second dam blocking the Colorado River at Marble Canyon, a few miles north of Grand Canyon, also is envisioned. But it doesn't figure as strongly in the controversy, although that canyon would be flooded, too.

Both dams would generate power to pump water from reservoirs in eastern Arizona to water-short areas around Tucson and Phoenix in the southern part of the state. The water would be carried by aqueducts, also to be built by the $1.3 billion.

Conservationists argue that regular power plants, either coal-fired or run by nuclearagenerated heat, could supply the needed electricity. It also would be much cheaper power.

But the Arizona project supporters say such plants must be run continuously to be economic and that the hydroelectric dams could supply power on an as-needed basis. The dams would also pay for themselves selling power to industries and cities in the area.

This is how the Bureau of Reclamation operates as chief dam in the west. Economists occasionally challenge its arithmetic but the bureau has been in the business for so long that its aims aren't seriously questioned by Congress.

The water issue in the Southwest is as tortuous and winding as the Colorado River. There is no question that the region needs water and that it comes from only two places: The few rivers in the area, chiefly the Colorado, and from under the ground. And ground water levels are plummeting toward disappearance.

Will two more dams add water to the Southwest? Both sides say no. The new dams in fact, will enhance evaporation by creating big areas of still water, so that the net effect would be water loss.

But the power potential of the dams overshadows this "slight" evaporation loss, say supporters. And what's more, Bridge Canyon Dam will make the Grand Canyon Gorge much more accessible to the general public.

To outdoorsmen, this isn't exactly a blessing.

FINAL STROKE OF BRUSH — Matthew Busse of San Anselmo completes his painting for the children's section of the Marin Family Service-sponsored "Family Life" art show Saturday. Watching (from left) are Nicholas Suntzeff, executvie director of the Family Service Agency; Karen Barbour of Kentfield and Mrs. David Kilmer of Tiburon, president of Marin Family Service League.

'Family Life' Show Visitors To Be Judges

Visitors to an outdoor "Family Life" art show at the Northgate Shopping Center, Terra Linda, Saturday, will also be acting as judges.

Citizens who may not be experts, but know what they like, will make their views count when the "best in the show" cash prize for paintings and sculpture is awarded on a ballot basis.

The exhibition is sponsored by the Family Service Agency of Marin County in observance of "National Family Week" ending Sunday.

Another feature will be the photographic section with a special prize donated by Northgate merchants, who will also give an award for the best children's exhibit.

This again will be judged on a ballot system by viewing youngsters. The exhibition will be open from 10 a.m. to 6 p.m.

Police Disperse School Pickets

PHILADELPHIA (AP) — Police on foot and on motorcycles charged a crowd of civil rights demonstrators and bystanders Tuesday night at all-white Girard College, reportedly injuring two girls.

They arrested six persons, all Negroes, in the action, which took place after the antisegregation picketing of the school, which had gone on during four consecutive days, was called off for the night.

Pickets, led by the NAACP, have been demonstrating at Girard College since last Saturday in opposition to its white-only admission policy. That policy, written into the will of its founder, financier Stephen Girard, in 1848, was upheld by the U.S. Supreme Court in 1958.

Supervisor Asks Longer Session

The new schedule for the Marin County Board of Supervisors, with an afternoon and night meeting one week and the regular day-long meeting the next week, has already drawn some criticism.

Critic was Supervisor Ernest N. Kettenhofen, who called attention to the clock when the board adjourned at 6:50 p.m. yesterday. He argued that the meeting went late because the board is losing time on the new schedule.

Kettenhofen wants a night meeting in addition to a regular day-long session each week.

Other board members said the new schedule had not yet had a fair trial.

Social Security Rite For 20 Millionth

HOW TO KEEP WELL

By DR. THEODORE R. VAN DELLEN

Nose Is Most Exposed Organ; Used Mostly For Pleasure

VAN DELLEN

The nose is exposed to the elements more than any other organ. It helps the body adjust to extreme differences in temperature and humidity, and is our first line of defense against air pollution. The sense of smell originates in a nerve (olfactory) center located high in the nasal vault.

Man uses his sense of smell primarily for pleasure. He is able to detect other odors but the sense is much less important than in other mammals. Changes in taste are immediate indications that something has gone amiss with the sense of smell (anosmia). This is understandable because the taste of food is recognized through simultaneous stimulation of taste buds in the tongue and in the olfactory cells of the nose. It explains why food tastes flat when the nose is blocked by infection or allergy. The opposite does not take place when the sense of taste is poor or lost.

OTHER CAUSES of anosmia are nasal polyps, reactions to certain drugs, skull fracture, tumor, and a nerve defect, or viral infection of the olfactory center. The sense may be normal one day and gone the next. Some individuals smell odors that do not exist (parosmia). They complain of smelling unpleasant odors. The cause is unknown.

The air-conditioning function of the nose stems from its ability to warm or cool inspired air, whether the outside temperature is 100 degrees above or 20 degrees below zero. There is more surface space in the nasal cavities than generally realized, because each turbinate projects into the passageway like a balcony.

IN ADDITION, some of the air goes in and out of the sinuses. The turbinates swell when cold air is inhaled, enlarging the warm surface area; it is reversed when the outside air is warm.

The mucus membrane of the nose are covered with a blanket of mucus. The serum is a perfect trap for dust and bacteria. Moisture is transferred to, or removed from, inspired air—depending upon the relative humidity. A related prenomenon occurs with expired air.

(Dr. Van Dellen will answer questions on medical topics if stamped, self-addressed envelope accompanies request.)

FOOD ALLERGY

R. U. writes: Allergy to wheat and chocolate is responsible for my migraine attacks. What bread, cake, and cereals may I eat?

REPLY

Select flours or cereals made from grains other than wheat. These include rice, oats, corn, rye, and flour substitutes such as cornstarch and arrowroot. There are dozens of substitutes for chocolate flavoring and icing.

TONGUE CRACKS

A reader writes: What causes and cures cracks or tongue fissures?

REPLY

The cause is not known except that frequently it runs in families. The cracks or fissures are of variable depth and usually extend outward from the median groove. No treatment is necessary.

TROPICAL FISH TANK

C. L. writes: Is it harmful to have a 10-gallon tropical fish tank in a 2-year-old's bedroom? The tank is complete with filter, lights, and pump.

REPLY

No, provided it does not interfere with the child's sleep or is located where it might cause an injury if broken.

MONONUCLEOSIS

C. F. W. writes: How long do the effects of mononucleosis stay with a person?

REPLY

Fatigue is the most common after effect. It lasts a few weeks to several months.

Today's Health Hint—Do not pour kerosene or other flammable liquid on wood in the fireplace.

More Fly Out On Helicopters

There are more who take flight than alight in Marin, according to a survey of helicopter operations.

County Administrator Alan Bruce told the board of supervisors yesterday that SFO Helicopters took 566 passengers from Richardson Bay heliport in March, 1964, and 1,017 in March of this year.

This was for passengers flying out.

"You may find this frightening," Bruce said with a smile, "but number flying out is slightly greater than the number flying in."

School Parking Lot Open Again

The back parking lot of Redwood High School is now accessible to all students at the midmorning break and noon hour, after being closed since 1962.

The parking lot was closed because it was too expensive for the school to pay $5,000 a year to keep it clean.

Senior Mike Knight, student body vice president, was mainly responsible for opening the lot. He helped to set rules to make the privilege last. Among these rules are: No smoking, moving of cars, or vandalism in the parking area, and if one of these occur it shall be closed at once.

TELEVISION REVIEW

Venereal Disease Subject Of Program

By RICK DU BROW

HOLLYWOOD (UPI)—Not too long ago, there was something of a fuss in the television industry when NBC fecided against broadcasting a "Mr. Novak" program dealing with venereal disease.

Both in an out of the industry when NBC decided against influential citizens urged NBC to change its mind, suggesting that an intelligent treatment of the subject might well help illuminate this taboo and delicate topic. But NBC stood by its decision.

Now "ABC Scope," a weekly half-hour public affairs series, has announced that it will explore the subject of venereal disease May 19. "Mr. Novak" is an early-evening show, airing from 7:30 to 8:30 p.m. EDT. "ABC Scope" is presented at 10:30 p.m. EDT.

According to ABC, a government investigator and medical men will "describe their experiences in arresting the disease," and there will be discussions with "outpatients who have been guaranteed anonymity and whose faces are not identifiable on the screen."

The investigator is one of 650 assigned by the U.S. Public Health Service to municipal health departments in connection with the disease. Others interviewed include Dr. William Brown, head of the venereal disease section of the U.S. Communicable Disease Center, Atlanta; and Col. Ingalls Simmons, chief of preventive medicine, First army. Howard K. Smith will provide commentary.

Tonight's "ABC Scope" reports on the crisis in the Dominican Republic, replacing an originally scheduled half-hour commemoration of the 20th anniversary of the end of World War II in Europe.

Optimists To Hear Proposition A Talk

Peter H. Behr, Marin County Board of Supervisors chairman, will give a luncheon talk to Mill Valley Optimist Club at Sabella's restaurant tomorrow on "The Dollars and Sense of Proposition A."

Presiding will be William Eberhart of Mill Valley. Proposition A is the June 8 bond issue for the new Civic Center wing.
